Lakota The Star People 2015

Star people is a concept from ancient cultures of the world fringe theory. Introduced by Brad Steiger

in his 1976 book Gods of Aquarius, it argues that certain people originated as extraterrestrials and arrived on Earth through birth or as a walk-in to an existing human body. It is a variant of the belief in alien-human hybrids. There are many different beliefs as to the origins of star people or starseeds. The term "star people" was taken from an existing Native American spiritual concept.

The Star People A Lakota Story

Other native legends, including those of the Lakota, about which we were recently informed by a prominent Montana-based tribal member, speak not necessarily of Star People, but of mysterious beings coming from above, we were told, as spheres of light, that in turn abduct children, a reference to which we will return, and that corresponds eerily to popular “folklore” about alien abduction and breeding programs (that are not for the faint hearted).
