Constitutional law - Constitutional and administrative law ...

Constitutional or administrative law is arguably the most important in existence; without it there could be no other laws and the state would not be able to function. It holds our country together. Practising administrative or constitutional law means you will either be employed by the state in the Government Legal Service (GLS), or in a private practice.

Constitutional / Administrative Law | AllAboutLaw

Administrative law is also instrumental in enhancing the development of constitutional values such as rule of law and democracy. The rules, procedures and principles of administrative law, by making public officials, comply with the limit of the power as provided in law, and checking the validity and legality of their actions, subjects the administration to the rule of law.

Constitutional Law and Administrative Law

In India this exists in the form of constitutional mechanism for governing the administrative authorities and keeping them in check- articles 32, 136, 226, 227, 300 and 311, study of administrative agencies commissioned by the Constitution, constitutional regulations for delegation of legislative powers and restriction of administrative actions.
