Policy - Hardcover - Julian ...

Assumptions concerning human motivation—the internal desires or preferences that incite action—and agency—the capacity to undertake that action—are key to both the design and the implementation of public policy. So, for instance, a policy instrument designed on the assumption that people are motivated primarily by their own self-interest—that they are, in the words of David Hume quoted at the beginning of the book, knaves —would be quite different from one constructed on the ...
