...

Grundish and Askew is Of Mice and Men on steroids and meth. It is Thelma and Louise except with two loser guys and no socially redeeming message. It is Lance Carbuncle's second novel and it continues his pathological love for the bizarre, the scatological and general bad taste made ecstatically entertaining.

Grundish and Askew are two friends who are outlandish, socially inappropriate, and irreverent. I loved them, and knew them

well by the ending of the novel. Askew, whose family lineage has graced prisons for a couple of centuries, has simply bought one too many tickets to ride the crazy train, and just never got off.

Carbuncle does tell stories. His stories are channeled through a pathetic little man who has to work a respectable job during the days in order to feed the infestation of children in his house. Carbuncle is the author of: Smashed, Squashed, Splattered, Chewed, Chunked and Spewed; Grundish and Askew; Sloughing Off the Rot; and, The Unmentionables.

"I remember clearly the deaths of three men. One was the richest man of the century, who, having clawed his way to wealth through the souls and bodies of men, spent many years trying to buy back the love he had forfeited and by that process

performed great service to the world and, perhaps, had much more than balanced the evils of his rise.
