Conflict is a part of life, and there is probably no way to avoid it completely without living like a hermit. These are some of the reasons people in recovery find themselves dealing with conflict: * An addiction to alcohol or drugs usually focuses a person on their own desires.

Dealing with Conflict in Recovery

From the perspective of social conflict theory, substance abuse is primarily a problem of structural inequality and class conflict. While substance abuse is generally omnipresent throughout society, social conflict theory argues that minorities, the lower class and other marginalized groups are more likely to disproportionately suffer negative consequences as a result of substance abuse.
