Feminist History after the Linguistic Turn: Historicizing ...

At the same time, Canning claimed the autonomy—and even precedence—of feminist history's “linguistic turn” from that taken in intellectual history, which had its origins in “the influence of Foucault, Derrida, and/or Lacan.” 56 Feminist history's “linguistic turn” was thus, for Canning, distinct from rather than dependent on poststructuralist theories, of which she remained suspicious. In a double move, she both questioned the “turn's” coherence and reasserted a discourse ...

When Was the Linguistic Turn? A GenealogyJudith SurkisWhen ...

Abstract. This essay is concerned with a central historiographical issue emerging from writing feminist history within second-wave feminism, and after the ‘linguistic turn’. How should the feminist historian present past women’s lives and work in relation to this revolutionary movement in which she or he is situated, and which women should she or he make visible?

Feminist Historiography and Ethics | SpringerLink

The writing of women's history has always been closely linked with contemporary feminist politics as well as with changes in the discipline of history itself. When women sought to question inequalities

in their own lives they turned to history to understand the roots of their oppression and to see what they could learn from challenges that had been made in the past.

First published Fri Sep 3, 2004; substantive revision Mon Aug 21, 2017. Feminist philosophy of language has come a long way in a very short time period. Initially, most work in the area was critical, calling for changes either to language itself or to philosophy of language. More recently, however, the dynamic has changed, with the advent of several major positive research programmes within philosophy of language.

Feminism as a Linguistic Issue. The study of language and gender as mutually co-dependent variables in the field of sociolinguistics took on a distinctly feminist perspective both as a response to and a fuel for women’s movements of the late 1960’s and early 1970’s (Wodak, 1997; Sunderland, 2006). Both feminism and linguistic theories of gender were in flux around this time, experiencing paradigm shifts due to an appropriation of postmodern/post-structuralist theories based on social ...
