Long Night Moon sees the story of Rylie (now living with her aunt following her father's untimely death) pick up straight from the end of book 2 but this time there are two more werewolves in town. SM Reine has a wonderful way of writing engaging stories and this paranormal series has been great reading.

Long Night Moon is a great next chapter in the "Seasons of the Moon" YA urban fantasy series that Reine has built, and as with the other two novels, I was HIGHLY entertained. In terms of plot, "Long Night Moon" wasn't nearly as suspenseful as its predecessors, BUT the book certainly develops the larger world of the werewolf in a wonderful way.

Long Night Moon by Cynthia Rylant, Mark Siegel, Hardcover ...

The last moon phase of the year is the Long Nights Moon in December, also called the Cold Moon or Big Winter Moon, depending on where you live. This is often a time of introspection and self discovery, as you evaluate the trials and tribulations that you've endured over the past year. However, this self analysis has a definite benefit — it gives you a chance to re-evaluate where you want to go and who you want to be in the coming twelve months.

December's Long Nights Moon - Learn Religions

Long Night Moon, for me, lost some of its feistiness it had in the first two. And I feel like Rylie’s character changed so much in this one and not for the better. It’s like she became weaker when she was so tough in the first two books, it was actually really sad to see.
