Van Gogh's Ghost Paintings

Art and Spirit in Gethsemane *Wipf and Stock Publishers*

One of the most significant and revealing paintings by the world famous artist Vincent van Gogh was never seen by anyone but the artist himself. The painting was so important to the artist that he painted it twice. He was so conflicted about the painting that he destroyed it twice. Cliff Edwards argues these two unique paintings Vincent created and destroyed are at least as important to understanding the artist and his work as are the two thousand or

more paintings and drawings that do exist. In Van Gogh's Ghost Paintings, Edwards invites his readers on a journey that begins in a Zen master's room in Japan and ends at a favorite site of the artist, a ruined monastery and its garden in the south of France. Recovering the intent of van Gogh and the nature of his "ghost paintings" becomes a "zen koan" waiting to be solved. The solution offers access to the deepest levels of the artist's life as painter and spiritual pilgrim. The journey leads to the artist's choice of the biblical theme of the Garden of Gethsemane. The answer to the mystery of the lost paintings illuminates the relationship of joy and suffering, discovery and creation, religion and the arts in van Gogh's life and work. In this fascinating book

Edwards solves a long-ignored mystery that provides a critical key to the relation of van Gogh's religion and art.

Richards, F. T. (Frederick Thompson), 1864-1921.... Arthur Burdett Frost (January 17, 1851 - June 22, 1928), usually cited as A. B. Frost, was an American illustrator, graphic artist and comics writer. He was also well known as a painter. Frost's work is well known for its dynamic representation of motion and sequence. Frost is considered one of the great illustrators in the "Golden Age of American Illustration". Frost illustrated over 90 books and produced hundreds of paintings; in addition to his work in

illustrations, he is renowned for realistic hunting and shooting prints..... Peter Sheaf Hersey Newell (March 5, 1862 - January 15, 1924) was an American artist and writer. He created picture books and illustrated new editions of many children's books..... John Kendrick Bangs (May 27, 1862 - January 21, 1922) was an American author, humorist, editor and satirist. Biography: He was born in Yonkers, New York. His father Francis Nehemiah Bangs was a lawyer in New York City, as was his brother, Francis S. Bangs. He went to Columbia College from 1880 to 1883 where he became editor of Columbia's literary magazine, *Acta Columbia*, and contributed short anonymous pieces to humor magazines. After graduation in 1883 with a Bachelor of Philosophy

degree in Political Science, Bangs entered Columbia Law School but left in 1884 to become Associate Editor of Life under Edward S. Martin. Bangs contributed many articles and poems to the magazine between 1884 and 1888. During this period, Bangs published his first books. In 1888 Bangs left Life to work at Harper's Magazine, Harper's Bazaar and Harper's Young People, though he continued to contribute to Life. From 1889 to 1900 he held the title of Editor of the Departments of Humor for all three Harper's magazines and from 1899 to 1901 served as active editor of Harper's Weekly. Bangs also served for a short time (January-June 1889) as the first editor of Munsey's Magazine and became editor of the American edition of the Harper-owned

Literature from January to November 1899. In 1894, Bangs ran for the office of mayor of Yonkers, New York, but was defeated. He also was a member of the Board of Education in Yonkers. He left Harper & Brothers in 1901 and became editor of the New Metropolitan magazine in 1903. In 1904 he was appointed editor of Puck, perhaps the foremost American humor magazine of its day. In this period, he revived his earlier interest in drama. In 1906 he switched his focus to the lecture circuit. During the period between 1901 and 1906, Mr. Bangs was known to have spent at least parts of his summers at the Profile House in Franconia, New Hampshire. He owned one of the 20 connected cottages adjacent to the large hotel, which he sold to Cornelius Newton Bliss in August

1906. As a satirical writer, he was also known in the "Profile Cottage" circles as a jokester and prankster and was frequently the jovial topic of hotel guests and cottage owners alike. In 1918, he lectured for the Young Men's Christian Association and allied troops on the battle front in France during World War I. In 1886, he married Agnes L. Hyde, with whom he had three sons. Agnes died in 1903. Bangs then married Mary Blakeney Gray of New York in 1904. In 1907 they moved from Yonkers to Ogunquit, Maine. John Kendrick Bangs died from stomach cancer in 1922 at age fifty-nine, in Atlantic City, New Jersey.....

Ghostology

The Art of the Ghost Hunter

Ghostology is simply the study of Ghosts. It is not ghost hunting, neither is it is parapsychology. The study of ghosts - Ghostology, is not trying to capture

apparitions on camera, although that is sometimes a part of it. It is not trying to record the sounds and the voices of the deceased or of spirits, although that too is a part of it. Ghostology is the holistic study of a fascinating aspect of our humanity, a shared human experience that dates back to the earliest civilisations and is common to all of them. Ghostology is not a "How to guide" for those seeking to investigate ghosts but it provides an up to date consideration and a discussion of the many methods and techniques that will prove helpful to anyone interested in the subject, for those who actively seek ghosts or who are merely interested in discovering more about this fascinating subject.

The Ghost Army of World War II

How One Top-Secret Unit Deceived the Enemy with Inflatable Tanks, Sound Effects, and Other Audacious Fakery *Chronicle Books*

The Ghost Army of World War II describes a perfect example of a little-known, highly imaginative, and daring maneuver that helped open the way for the final drive to Germany. It is a riveting tale told through personal accounts and sketches along the way—ultimately, a story of success against great odds. I enjoyed it enormously. – Tom Brokaw In the summer of 1944, a handpicked group of young GIs—including such future luminaries as Bill Blass, Ellsworth Kelly, Arthur Singer, Victor Dowd, Art Kane, and Jack Masey—landed in France

to conduct a secret mission. Armed with truckloads of inflatable tanks, a massive collection of sound-effects records, and more than a few tricks up their sleeves, their job was to create a traveling road show of deception on the battlefields of Europe, with the German Army as their audience. From Normandy to the Rhine, the 1,100 men of the 23rd Headquarters Special Troops, known as the Ghost Army, conjured up phony convoys, phantom divisions, and make-believe headquarters to fool the enemy about the strength and location of American units. Between missions the artists filled their duffel bags with drawings and paintings and dragged them across Europe. Every move they made was top secret and their story was hushed up for decades after the war's end. The Ghost

Army of World War II is the first publication to tell the full story of how a traveling road show of artists wielding imagination, paint, and bravado saved thousands of American lives.

Roald Dahl's Book of Ghost Stories

Michael Joseph

Fourteen terrifying ghost stories chosen by the master of the macabre, Roald Dahl. 'Spookiness is the real purpose of the ghost story. It should give you the creeps and disturb your thoughts . . .' Who better to choose the ultimate in spine-chillers than Roald Dahl, whose own sinister stories have teased and twisted the imagination of millions? Here

are fourteen of his favourite ghost stories, including Sheridan Le Fanu's *The Ghost of a Hand*, Edith Wharton's *Afterward*, Cynthia Asquith's *The Corner Shop* and Mary Treadgold's *The Telephone*. Roald Dahl, the brilliant and worldwide acclaimed author of *Charlie and the Chocolate Factory*, *James and the Giant Peach*, *Matilda*, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, *Roald Dahl's Twisted Tales* by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

The Movie Art of Syd Mead: Visual Futurist *Titan Books (US, CA)*

Syd Mead is one of the most accomplished and widely respected artists and industrial designers alive today. His career boasts an incredible array of projects from designing cars to drafting architectural renderings, but he is most famous for his work as a concept artist on some of the most visually arresting films in the history of cinema. Since working on *Star Trek: The Motion Picture* in 1978 as a production illustrator Syd Mead has always aimed to render “reality ahead of schedule,” creating evocative designs that marry believable content with a neofuturistic form. It is this ability to predict technological potential that has helped Mead create such a distinctive and

influential aesthetic. From his work with Ridley Scott on *Blade Runner*, to his striking designs for the light cycles in *Tron*, to his imposing concept art for the U.S.S. Sulaco in James Cameron’s *Aliens*, Syd Mead has played a pivotal role in shaping cinema’s vision of the future. *The Movie Art of Syd Mead: Visual Futurist* represents the most extensive collection of Mead’s visionary work ever printed, compiling hundreds of images, sketches and concept arts from a career spanning almost 40 years, many of which have never been seen in print before. Each entry provides a unique insight into the processes involved in Mead’s practice as well as illuminating the behind-the-scenes work involved in creating a fully realized, cinematic depiction of the future. With such a

plethora of images from the many genre-defining films Mead has worked on, this is essential reading for film fans, artists and futurologists alike.

Coming Apart

The Disillusioning Art of Shell Formation *Yellowplume*

Rae Colbert's family is cursed and they have the scars to prove it. But no matter where they go the darkness always seems to follow. At the age of eight, Rae

discovered a perfect way to protect her heart: a cold, hard, and unbreakable shell that has left her comfortable, numb, and detached from the world around her. For the past nine years, Rae's shell has protected her from pain, but when her parents move to a small town in Oklahoma and she meets the strangely familiar Alex Loving, everything that she has worked so hard to build begins to crumble. The story begins to unravel when Rae finds several tattered notes tucked away in an old family scrapbook. With only a few letters in hand, she sets out to discover the secrets of her past. In the process, she uncovers the source of her family's darkness and the true identity of the mysterious Alex Loving. Follow Rae as she finds a better way to protect her

heart. Discover the light that breaks through the darkness and changes her world forever. This is a story about eternal love, a story about healing, and the story of Rae, a girl who finds her purpose buried deep beneath her pain.

The Canterville Ghost Illustrated

"The Canterville Ghost" is a short story by Oscar Wilde. It was the first of Wilde's stories to be published, appearing in two parts in *The Court and Society Review*, 23 February and 2 March 1887.

The Art of the Haunted

A Ghost Story *Outskirts Press*

A group of inner city delinquent boys is engaging in a horrible crime of violence, when suddenly a strange man appears.

He is immediately attacked, but he defeats their aggression. He subdues them and makes them listen to scary ghost stories, throughout the night until help arrives. The unwilling audience becomes enthralled by the excitement and thrills, and the mystery, as slowly the stranger captures their hearts and minds. Finally a tale of Islamic Jihad in 12th Century Spain directly relates back to their own conflicts in the modern urban so-called "ghetto". The tales all touch on art, and the stranger is an artist, a tortured soul whose gifts and skills transform their lives, but at a terrible cost.

Ghost in the Wires

My Adventures as the World's Most

Wanted Hacker *Back Bay Books*

Kevin Mitnick was the most elusive computer break-in artist in history. He accessed computers and networks at the world's biggest companies--and however fast the authorities were, Mitnick was faster, sprinting through phone switches, computer systems, and cellular networks. He spent years skipping through cyberspace, always three steps ahead and labeled unstoppable. But for Kevin, hacking wasn't just about technological feats--it was an old fashioned confidence game that required guile and deception to trick the unwitting out of valuable information. Driven by a powerful urge to accomplish the impossible, Mitnick bypassed security systems and blazed into major organizations including Motorola, Sun

Microsystems, and Pacific Bell. But as the FBI's net began to tighten, Kevin went on the run, engaging in an increasingly sophisticated cat and mouse game that led through false identities, a host of cities, plenty of close shaves, and an ultimate showdown with the Feds, who would stop at nothing to bring him down. *Ghost in the Wires* is a thrilling true story of intrigue, suspense, and unbelievable escape, and a portrait of a visionary whose creativity, skills, and persistence forced the authorities to rethink the way they pursued him, inspiring ripples that brought permanent changes in the way people and companies protect their most sensitive information.
