Pre-Referral Intervention Response to Intervention (RTI) Response to Intervention (RTI) is a multi-tier approach to the early identification and support of students with learning and behavior needs. The RTI process begins with high-quality instruction and universal screening of all children in the general education classroom.

### **Pre-Referral Intervention - Student Services and Special ...**

Linear approach- pre-referral team members implement the stages of the process sequentially (e.g., gathering information, implementing intervention, evaluating intervention). Teachers should not think of the pre-referral

process simply as a hurdle to clear before referring a student to special education.

### **IRIS | Page 1: Overview of the Pre-Referral Process**

The purpose of the pre-referral process is to ensure your child tries reasonable accommodations and modifications before she's referred for special education assessment. Sometimes, a change in the classroom can turn her performance around and make it unnecessary to consider special education services.
