i just re-read this book,
and it is even better
than i remembered.
the stanislaski family, a
ukranian family that
escaped to come to
america, is a wholly
original romance book
premise. the family is
loud, colorful, and
extremely lovable.
natasha and rachel, a
toy store owner and a
public defender
respectively, are also
very unique
protagonists, very
strong women and
protagonists that you
can respect. when they
fall in love it is that
much more compelling.
