The American Pageant

A History of the Republic *Houghton Mifflin College Division*

For this twelfth edition of *The American Pageant*, we have worked together closely to incorporate the most recent scholarship about

American history, and to preserve the readability that has long been the Pageant's hallmark. We are often told that the Pageant is the sole American history text that has a distinctive personality -- defined by clarity, concreteness, a consistent chronological narrative, strong emphasis on major themes, avoidance of clutter, access to a variety of interpretive perspectives, and a colorful writing style leavened, as appropriate, with wit. - Preface.

American Pageant

Volume 2 12th Edition and American Spirit, Volume 2 10th Edition and Atlas
Houghton Mifflin College Division

American Pageant, Volume 2 *Cengage Learning*

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and

consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in

the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Problems of Peace

The New England Way

John Cotton *Ams PressInc*

The American Yawp

A Massively Collaborative Open

U.S. History Textbook, Vol. 1: To 1877 *Stanford University Press*

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have

sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed

narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

The American Pageant Revisited: Recollections of a Stanford Historian
Hoover Press

American Slavery as it is

Testimony of a Thousand Witnesses

American History

A Survey

U.S. History

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that

have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

The English Constitution

*Createspace
Independent Publishing
Platform*
There is a great

difficulty in the way of a writer who attempts to sketch a living Constitution—a Constitution that is in actual work and power. The difficulty is that the object is in constant change. An historical writer does not feel this difficulty: he deals only with the past; he can say definitely, the Constitution worked in such and such a manner in the year at which he begins, and in a manner in such and such respects different in the year at which he ends; he begins with a definite point of time and ends with one also. But a contemporary writer who tries to paint what is before him is puzzled and a perplexed: what he sees is changing daily. He must paint it as it stood at some one

time, or else he will be putting side by side in his representations things which never were contemporaneous in reality.

THE MAN NOBODY KNOWS

The Impending Crisis of the South

Awful Disclosures

New-York : M. Monk

Out of Many

A History of the American People

Prentice Hall

Out of Many is a coherent narrative of American history that offers insight into how diverse communities and different regions have shaped America's past. The text reveals the ethnic, geographical and economic diversity of the United States by examining the

individual, the community and the state and placing a special focus on the country's regions, particularly the West. The updated edition features new and expanded coverage of a wide variety of topics in addition to MyHistoryLab tools that connect the text to interactive online learning tools to bring U.S. history to life.

Compendium of the Impending Crisis of the South

Gale Cengage Learning

This book condemns slavery, by appealed to whites' rational self-interest, rather than any altruism towards blacks. Helper claimed that slavery hurt the Southern economy by preventing economic development and industrialization, and

that it was the main reason why the South had progressed so much less than the North since the late 18th century.

The Brief American Pageant: A History of the Republic, Volume II: Since 1865 *Cengage Learning*

THE BRIEF AMERICAN PAGEANT presents a concise and vivid chronological narrative, focusing on the central themes and great public debates that have dominated American history. Colorful anecdotes, first-person quotations, and the text's trademark wit are all evident throughout. The strong historical narrative is highlighted by focus questions, chapter outlines and summaries, marginal

glossaries, and special features such as "Makers of America", "Examining the Evidence", and "Thinking Globally". Also available in the following split options: Volume I: To 1877 (Chapters 1-22), ISBN: 9781285193304; Volume II: Since 1865 (Chapters 22-41), ISBN: 9781285193311. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Freedom from Fear

The American People in Depression and War, 1929-1945 *Oxford University Press*

Between 1929 and 1945, two great travails were visited

upon the American people: the Great Depression and World War II. This book tells the story of how Americans endured, and eventually prevailed, in the face of those unprecedented calamities. The Depression was both a disaster and an opportunity. As David Kennedy vividly demonstrates, the economic crisis of the 1930s was far more than a simple reaction to the alleged excesses of the 1920s. For more than a century before 1929, America's unbridled industrial revolution had gyrated through repeated boom and bust cycles, wastefully consuming capital and inflicting untold misery on city and countryside alike. Freedom From Fear explores how the nation agonized over its role in World War II, how it fought the war, why the United States won, and why the consequences of victory were sometimes sweet, sometimes ironic. In a compelling narrative, Kennedy analyzes the determinants of American strategy, the painful choices faced by commanders and statesmen, and the agonies inflicted on the millions of ordinary Americans who were compelled to swallow their fears and face battle as best they could. Both comprehensive and colorful, this account of the most convulsive period in American history, excepting only the Civil War, reveals a period that formed the crucible in which

modern America was formed. The Oxford History of the United States The Atlantic Monthly has praised The Oxford History of the United States as "the most distinguished series in American historical scholarship," a series that "synthesizes a generation's worth of historical inquiry and knowledge into one literally state-of-the-art book. Who touches these books touches a profession." Conceived under the general editorship of one of the leading American historians of our time, C. Vann Woodward, The Oxford History of the United States blends social, political, economic, cultural, diplomatic, and military history into coherent and vividly written narrative.

Previous volumes are Robert Middlekauff's The Glorious Cause: The American Revolution; James M. McPherson's Battle Cry of Freedom: The Civil War Era (which won a Pulitzer Prize and was a New York Times Best Seller); and James T. Patterson's Grand Expectations: The United States 1945-1974 (which won a Bancroft Prize).

Speak Up!

An Illustrated Guide to Public Speaking *Macmillan Higher Education*

Written by professors with 40+ combined years' experience teaching the course, Speak Up! connects with students through lively writing, compelling real-life examples, practical

guidance, and hundreds of custom-drawn illustrations that bring public speaking concepts to life. Instructors appreciate the book's serious coverage of concepts and theories, fascinating examples, and unique and often humorous illustrations that help students understand and retain concepts from the text. The new edition features a brand new case study feature that guides students through all steps of the public speaking process. The Speech Choices boxes follow Mia and Jacob as they make choices that affect the final outcome of their speech—and show students what to do, and what not to do. They culminate in two brand-new, full-length speech videos on cutting edge topics. The feature expands further online in LaunchPad with video clips from the speeches, case study questions, and case study activities that instructors can use in the classroom or assign as homework. Speak Up contains other powerful digital tools accessible through LaunchPad, a learning platform that contains hundreds of videos, LearningCurve (our adaptive quizzing program), various assessment options, video assignment tools, instructor supplements, and a full e-book.

 Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.

Perrine's Literature

Structure, Sound and Sense *Heinle & Heinle Pub*
 This book is a classic.

Literature: Structure, Sound, and Sense has been consistently updated through its revised editions and remains the model for introductory literature texts. It is compact and easy to hold--not bloated and indiscriminate in its selections

Barbarossa *Harper Collins*

On June 22, 1941, before dawn, German tanks and guns began firing across the Russian border. It was the beginning of Hitler's Operation Barbarossa, one of the most brutal campaigns in the history of warfare. Four years later, the victorious Red Army has suffered a loss of seven million lives. Alan Clark's incisive analysis succeeds in explaining

how a fighting force that in one two-month period lost two million men was nevertheless able to rally to defeat the Wehrmacht. The Barbarossa campaign included some of the greatest episodes in military history: the futile attack on Moscow in the winter of 1941-42, the siege of Stalingrad, the great Russian offensive beginning in 1944 that would lead the Red Army to the historic meeting with the Americans at the Elbe and on to victory in Berlin. Barbarossa is a classic of military history. This paperback edition contains a new preface by the author.

American Constitutional Law

Constitutional Structures:

Separated Powers and Federalism

This paperback volume (subtitled Constitutional Structures: Separated Powers and Federalism) includes Chapters 1 through 9 of American Constitutional Law, Eleventh Edition (hardback), plus the concluding chapter, "Efforts to Curb the Court." This book, in addition to analyzing and including excerpts of court decisions, highlights the efforts of legislatures, executives, the states, and the general public to participate in an ongoing political dialogue about the meaning of the Constitution. It therefore rejects the idea that elected leaders and the public must passively receive

and obey a series of unilateral and final judicial commands. The book covers all new developments in case law, congressional statutes, presidential policies, and initiatives undertaken by states under their own constitutions. Included are readings not only from cases but congressional floor debates, committee reports, committee hearings, presidential vetoes and statements, opinions of the Office of Legal Counsel in the Justice Department, state activity, Federalist papers, and professional journals. After introductory chapters on constitutional politics, the doctrine of judicial review, threshold requirements, judicial organization, and the process and strategy of

decision making, the book focuses on these substantive areas: separation of powers (domestic and foreign affairs), federal-state relations, economic liberties, free speech and free press, religious freedom, due process, search and seizure, race, equal protection, privacy, and political participation. The book concludes with a chapter on efforts to curb the Supreme Court. Professors may choose between the one-volume casebound book or two paperbacks: Volume 1 on "Constitutional Structures: Separated Powers and Federalism," and Volume 2 on "Constitutional Rights: Civil Rights and Civil Liberties."

Public Speaking: An Audience-Centered Approach Value Pack (Includes Contemporary Classic Speeches DVD &

Videoworkshop for Public Speaking *Allyn & Bacon*

The unique, audience-centered approach of this top-selling book emphasizes that success in public speaking depends on how listeners interpret the message. "Public Speaking: An Audience-Centered Approach" brings theory and practice together. Its distinctive and popular approach emphasizes the importance of analyzing and considering the audience at every point in the speech making process. This model of public

speaking is the foundation of the book, and it guides the reader through the step-by-step process of public speaking, focusing their attention on the dynamics of diverse audiences, and narrowing the gap between practice and the real world. The seventh edition includes a new emphasis on helping speakers manage communication apprehension. The updated edition of "The Interviewing Guidebook" focuses on integral skills needed for successful information-gathering and the employment interview, including the resume and letters that are part of the interview process. Preparation worksheets, exercises, guides to online help,

and scenarios for applying these skills make this brief and user-friendly book extremely practical for anyone preparing for an interview.
