Friction - Clark McCauley; Sophia Moskalenko - Oxford ...

Radicalization is the process by which an individual or group comes to adopt increasingly radical views in opposition to a political, social, or religious status quo. The outcomes of radicalization are shaped by the ideas of the society at large; for example, radical movements can originate from a broad social consensus against progressive changes in society or from a broad desire for change in society. Radicalization can be both violent and nonviolent, although most academic literature focuses
