All of our Lister generators and Lister engines come load tested and are ready to work.

Lister Petter Generator & Engine Range | Welling & Crossley

I have acquired a very old, very rusty generator set. I replaced the battery and new solenoid - it started up straight away, runs very well, purrs like a kitten. But I don't know what the output from the generator is. Can anyone help. Pictures of the only plates I can find are attached - one on the actual generator and one on the engine.
