Embracing the Second Half of Life - The Good Men Project

"Second half of life" is an expression that departs from ontological principles that do not reflect who we are as physical and social beings in the 21st century. It presupposes that we have a certain life span on this planet, that half way there we have a crisis, or that most of us have a grow-up spur at around the same age.

Finding Meaning in the Second Half of Life: How to Finally ...

The second half of life places us in a very different relationship with the institutions that were so important in the first half, including our church. (139) The ego – and most institutions – demand a tit-for-tat universe, structured and organized universe governed by rules, while the soul swims in a sea of abundance, grace and freedom, which cannot always be organized.

The Second Half of Life - Spiritual Practice

With more free time to explore and do things, those of us in our second half of life are less depressed than our parents, or grandparents were before us. "Some evidence suggests that life today also really is easier for older folks than it used to be; one study found that depressive symptoms in late life have declined from 1998 to 2008," according to Time magazine.

10 Reasons Why The Second Half Of Your Life Is Better Than ...

The second-half of life, just like the first, demands a journey. While the first-half of life, as we saw, is very much consumed with the search for identity, meaning, self-worth, intimacy, rootedness, and making peace with our sexuality, the second-half has another purpose, as expressed in the famous epigram of Job: "Naked I came from my mother's womb, and naked I go back."

Spirituality and the Second Half of Life | Ron Rolheiser

In the second half of life, the ego still has a place, but now in the service of the True Self or soul, your inner and inherent identity. Your ego is the container that holds you all together, so now its strength is an advantage. Someone who can see their ego in this way is probably what we mean by a "grounded" person.

The Two Halves of Life — Center for Action and Contemplation

The Second Half of Life There are more of us are entering the second half of our lives than at any other time in history. Our numbers are growing rapidly, and as life expectancy continues to rise, more of us will find ourselves living much longer as elders than did our parents and grandparents.
