Before the Parade Passes By

Gower Champion and the Glorious American Musical *St. Martin's Press*

During the Golden Age of the Broadway musical, few director-choreographers could infuse a new musical with dance and movement in quite the way Gower Champion could. From his earliest Broadway success with Bye Bye Birdie to his triumphant and bittersweet valedictory, 42nd Street, musicals directed by Champion filled the proscenium with life. At their best, they touched the heart and stirred the soul with a skillful blend of elegance and American showmanship. He began his career as one-half of "America's Youngest Dance Team" with Jeanne Tyler and later teamed with his wife, dance partner, and longtime collaborator, Marge Champion. This romantic ballroom duo danced across America in the smartest clubs and onto the television screen, performing story dances that captivated the country. They ultimately took their talent to Hollywood, where they starred in the 1951 remake of Show Boat, Lovely to Look At, and other films. But Broadway always called to Champion, and in 1959 he was tapped to direct Bye Bye Birdie. The rest is history. In shows like Birdie, Carnival, Hello, Dolly!, I Do! I Do!, Sugar, and 42nd Street, luminaries such as Chita Rivera, Dick Van Dyke, Carol Channing, Mary Martin, Robert Preston, Tony Roberts, Robert Morse, Tammy Grimes, and Jerry Orbach brought Champion's creative vision to life. Working with composers and writers like Jerry Herman, Michael Stewart, Charles Strouse, Lee Adams, and Bob Merrill, he streamlined the musical making it flow effortlessly with song and dance from start to finish. John Gilvey has spoken with many of the people who worked with Champion, and in Before the Parade Passes By he tells the life story of this most American of Broadway musical director-choreographers from his early days dancing with Marge to his final days spent meticulously honing the visual magic of 42nd Street. Before the Parade Passes By is the life story of one man who personified the glory of the Broadway musical right up until the moment of his untimely death. When the curtain fell to thunderous applause on the opening night of 42nd Street, August 25, 1980, legendary impresario David Merrick came forward, silenced the audience, and announced that Champion had died that morning. As eminent theatre critic Ethan Mordden has firmly put it, "the Golden Age was over." Though the Golden Age of the Broadway musical is over, John Gilvey brings it to life again by telling the story of Gower Champion, one of its most passionate and creative legends.

Dancing on the Ceiling

Stanley Donen and his Moves Knopf

The first book to explore the life and extraordinary work of the legendary moviemaker who directed Singin' in the Rain, On the Town, and Funny Face, from the author of David Lean ("Silverman has captured one of the world's truly great filmmakers"—Billy Wilder). Stanley Donen is the man who forever changed the Hollywood musical, moving it away from the Busby Berkeley extravagance to a felt integration of the songs and dances. He is also the man who helped shape the sophisticated romance exemplified by Indiscreet and Charade. The author, with Donen's cooperation, has brilliantly revealed Donen's fifty-year career—first in the theater, next in Hollywood, and then abroad. We see Donen's collaborations with Fred Astaire, Cary Grant, Gene Kelly, and Frank Sinatra. And we see his work with Rodgers and Hart, Alan Lerner, Comden and Green, Roger Edens, Arthur Freed, Michael Kidd, and Bob Fosse. We watch Donen growing up in the South in the 1930s, seeking refuse at movies, watching Fred Astaire dance on the screen, and forever changed by it. And then at sixteen, fleeing to New York, where he lands his first job in the chorus of the groundbreaking musical Pal Joey, directed by George Abbott, starring Gene Kelly...and appearing next in Best Foot Forward. We follow Donen west to MGM (first he was a chorus boy, then assistant choreographer)...next embellishing Anchors Aweigh, dreaming up the almost technically impossible notion of having its star, Gene Kelly, dance with a cartoon character, Jerry the Mouse...and in the next decade making one great musical after another. We hear Donen's recollections of life and work on the sets of Singin' in the Rain, Royal Wedding, Funny Face, Seven Brides for Seven Brothers, On the Town, The Pajama Game, Indiscreet, Charade, Two for the Road, Arabesque, Bedazzled, and other movies he directed. We see him through the eyes of more than one hundred of his contemporaries whom, in addition to Donen himself, Silverman has interviewed at length, from Kay Thompson and Billy Wilder to Deborah Kerr, Audrey Hepburn, Debbie Reynods, Gregory Peck, and Cyd Charisse. Dancing on the Ceiling gives, close up, a great director and a lost Hollywood on whose silver screen wit and charm abounded.

The Great White Way

Race and the Broadway Musical Rutgers University Press

Broadway musicals are one of America’s most beloved art forms and play to millions of people each year. But what do these shows, which are often thought to be just frothy entertainment, really have to say about our country and who we are as a nation? Now in a new second edition, The Great White Way is the first book to reveal the racial politics, content, and subtexts that have haunted musicals for almost one hundred years from Show Boat (1927) to Hamilton (2015). This revised edition includes a new introduction and conclusion, updated chapters, as well as a brand-new chapter that looks at the blockbuster musicals The Book of Mormon and Hamilton. Musical mirror their time periods and reflect the political and social issues of their day. Warren Hoffman investigates the thematic content of the Broadway musical and considers how musicals work on a structural level, allowing them to simultaneously present and hide their racial agendas in plain view of their audiences. While the musical is informed by the cultural contributions of African Americans and Jewish immigrants, Hoffman argues that ultimately the history of the American musical is the history of white identity in the United States. Presented chronologically, The Great White Way shows how perceptions of race altered over time and how musicals dealt with those changes. Hoffman focuses first on shows leading up to and comprising the Golden Age of Broadway (1927–1960s), then turns his attention to the revivals and nostalgic vehicles that defined the final quarter of the twentieth century. He offers entirely new and surprising takes on shows from the American musical canon—Show Boat (1927), Oklahoma! (1943), Annie Get Your Gun (1946), The Music Man (1957), West Side Story (1957), A Chorus Line (1975), and 42nd Street (1980), among others. In addition to a new chapter on Hamilton and The Book of Mormon, this revised edition brings The Great White Way fully into the twenty-first century with an examination of jukebox musicals and the role of off-Broadway and regional theaters in the development of the American musical. New archival research on the creators who produced and wrote these shows, including Leonard Bernstein, Jerome Robbins, Stephen Sondheim, and Edward Kleban, will have theater fans and scholars rethinking forever how they view this popular American entertainment.

A History of the American Musical Theatre

No Business Like It *Routledge*

From the diverse proto-theatres of the mid-1800s, though the revues of the ‘20s, the ‘true musicals’ of the ‘40s, the politicisation of the ‘60s and the ‘mega-musicals’ of the ‘80s, every era in American musical theatre reflected a unique set of socio-cultural factors. Nathan Hurwitz uses these factors to explain the output of each decade in turn, showing how the most popular productions spoke directly to the audiences of the time. He explores the function of musical theatre as commerce, tying each big success to the social and economic realities in which it flourished. This study spans from the earliest spectacles and minstrel shows to contemporary musicals such as Avenue Q and Spiderman. It traces the trends of this most commercial of art forms from the perspective of its audiences, explaining how staying in touch with writers and producers strove to stay in touch with these changing moods. Each chapter deals with a specific decade, introducing the main players, the key productions and the major developments in musical theatre during that period.

Changed for Good

A Feminist History of the Broadway Musical *Oxford University Press*

From Adelaide in "Guys and Dolls" to Nina in "In the Heights" and Elphaba in "Wicked," female characters in Broadway musicals have belted and crooned their way into the American psyche. In this lively book, Stacy Wolf illuminates the women of American musical theatre--performers, creators, and characters--from the start of the Cold War to the present day, creating a new, feminist history of the genre. The musicals discussed here are among the most beloved in the canon--"West Side Story," "Cabaret," "A Chorus Line," "Phantom of the Opera," and many others--with special emphasis on the blockbuster "Wicked." Along the way, Wolf demonstrates how the musical since the mid-1940s has actually been dominated by women--women onstage, women in the wings, and women offstage as spectators and fans.

Casts, Credits, Songs, Critical Reception and Performance Data of More Than 1,800 Shows *McFarland*

Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The Musical from the Inside Out *Ivan R. Dee*

Rarely is a book about the theatre as entertaining and informative as Stephen Citron's new guidebook to the creation of the musical. Filled with anecdotes, practical advice, and sparkling comments from the biggest Broadway insiders, The Musical from the Inside Out examines this major theatrical form from the creator's point of view. Mr. Citron takes the reader through basic training and onto finding and securing material, writing the libretto, adding the songs, auditioning the players, workshopping, rehearsals, previews, and the excitement of opening night. He reveals the secrets of success as well as some of the common pitfalls of failure. "There's never been a book like this," wrote a columnist from London's West End. Mr. Citron's bounty of information comes from his own vast experience; from interviews with well-known directors, producers, lyricists, composers, librettists, stage managers, and scenic artists; and from such luminaries as Stephen Sondheim, Andrew Lloyd Webber, Jerry Herman, Hal Prince, Jerome Robbins, Jerry Bock, Sheldon Harnick, John Kander, and Fred Ebb. Broadway in the Box

Television's Lasting Love Affair with the Musical *Oxford University Press*

It was as if American television audiences discovered the musical in the early 21st century. In 2009 Glee took the Fox Network and American television by storm with the unexpected unification of primetime programming, awkward teens, and powerful voices spontaneously bursting into song. After raking in the highest rating for a new show in the 2009-2010 season, Glee would continue to cultivate rabid fans, tie-in soundtracks and merchandising, and a spinoff reality competition show until its conclusion in 2015. Alongside Glee, NBC and Fox would crank up musical visibility with the nighttime drama Smash and a string of live musical productions. Then came ABC's comedic fantasy musical series Galavant and the CW's surprise Golden Globe darling Crazy Ex-Girlfriend. Television and the musical appeared to be a perfect match. But, as author Kelly Kessler illustrates, television had at that point been carrying on a sixty-year, symbiotic love affair with the musical. From Rodgers and Hammerstein's appearance on the first Toast of the Town telecast and Mary Martin's iconic

Peter Pan airings to Barbra Streisand's 1960s CBS specials, The Carol Burnett Show, Cop Rock, Great Performances, and a string of one-off musical episodes of sitcoms, nighttime soaps, fantasy shows, and soap operas, television has always embraced the musical. Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television, film, and theatrical landscapes. She recounts and explores this rich, decades-long history by traversing musicals, stars, and sounds from film, Broadway, and Las Vegas to the small screen.
