View: 9999. Read Online. Rating 8. Pure (Covenant #2) There is need. And then there is Fate. Being destined to become some kind of supernatural electrical outlet isn't exactly awesome--especially when Alexandria's other half is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom--so not cool. Their connection does have some benefits, like staving off her nightmares of the tragic showdown with her mother, but it has no effect on what Alex ...

Pure (Covenant #2) (28)Jennifer L. Armentrout. Pure (Covenant #2) (28) There wasn’t anything for me to do besides go back to my room, and I’d rather shove my head in an oven then go back there. Jennifer is amazing and this ability of hers to mix romance with action and a dynamic plot is killing me!!“Pure” is the second book from the Covenant series and although it was not as good as the first one, it had its moments of greatness that were fantastic and breath-taking, not to mention that I love Alex and Aiden as a couple :) Alex is dealing with her “second Apollyon” status and this implies having Seth all around her kind like 24/7.
