#### From the Shadows *Bellevue Literary Press*

Publishers Weekly “Top 10 Book of the Year” selection “Begins as entertaining slapstick, subtly metamorphoses into fable. . . . As [the narrator’s] vivid imaginary world fuses with reality this deceptively ethereal novel advances toward a dark and startling finale.” —Wall Street Journal Laid off from his job, Damián Lobo obsessively imagines himself as a celebrity being interviewed on TV. After committing an act of petty theft at an antiques market, he finds himself trapped inside a wardrobe and delivered to the seemingly idyllic home of a husband, wife, and their internet-addicted teenage daughter. There, he sneaks from the shadows to serve as an invisible butler, becoming deeply and disastrously involved with his unknowing host family. Every thread of the plot is ingeniously tied together, creating a potent admixture of parable, love story, and thriller. Millás masterfully reveals the everyday as innately surreal as he renders the unbelievable tangible and the trivial fantastical, and full of dark humor. Juan José Millás is the recipient of Spain’s most prestigious literary prizes: the Premio Nadal, Premio Planeta, and Premio Nacional de Narrativa. A regular contributor to El País, Millás has also won many awards for his journalism. He is the author of several short story collections and works of nonfiction as well as over a dozen novels, including From the Shadows, the first of his novels to be published in North America. He lives in Madrid.

### Kingdom of Shadows

#### A Novel *Random House*

“Kingdom of Shadows must be called a spy novel, but it transcends genre, as did some Graham Greene and Eric Ambler classics.”—The Washington Post Paris, 1938. As Europe edges toward war, Nicholas Morath, an urbane former cavalry officer, spends his days working at the small advertising agency he owns and his nights in the bohemian circles of his Argentine mistress. But Morath has been recruited by his uncle, Count Janos Polanyi, a diplomat in the Hungarian legation, for operations against Hitler’s Germany. It is Morath who does Polanyi’s clandestine work, moving between the beach cafés of Juan-les-Pins and the forests of Ruthenia, from Czech fortresses in the

Sudetenland to the private gardens of the déclassé royalty in Budapest. The web Polanyi spins for Morath is deep and complex and pits him against German intelligence officers, NKVD renegades, and Croat assassins in a shadow war of treachery and uncertain loyalties, a war that Hungary cannot afford to lose. Alan Furst is frequently compared with Eric Ambler, Graham Greene, and John le Carré, but Kingdom of Shadows is distinctive and entirely original. It is Furst at his very best. Praise for Kingdom of Shadows “Kingdom of Shadows offers a realm of glamour and peril that are seamlessly intertwined and seem to arise effortlessly from the author’s consciousness.”—Janet Maslin, The New York Times “Subtly spun, sensitive to nuances, generous with contemporary detail and information discreetly conveyed. . . . It’s hard to overestimate Kingdom of Shadows.”—Eugen Weber, Los Angeles Times “A triumph: evocative, heartfelt, knowing and witty.”—Robert J. Hughes, The Wall Street Journal “Imagine discovering an unscreened espionage thriller from the late 1930s, a classic black- and- white movie that captures the murky allegiances and moral ambiguity of Europe on the brink of war. . . . Nothing can be like watching Casablanca for the first time, but Furst comes closer than anyone has in years.”—Walter Shapiro, Time

**Survival Studies Among the Georgia Coastal Negroes** *University of Georgia Press*

Set against the background of the antebellum slave trade, Drums and Shadows traces the persistence of African heritage in the culture of blacks living on the Georgia coast in the 1930s. In

the later years of the depression, members of the Georgia Writers' Project visited and interviewed blacks, many of whose grandparents, smuggled into slavery as late as 1858, had passed on the customs and beliefs of their African past. Seeking evidence of African traditions, the project's workers questioned the blacks about conjure--the curses and potions responsible for turns of luck, illnesses, and even death--about dreams that often determine the course of daily life, and about spirits and other apparitions as real as walking, breathing people.
