[Customary International Law in Times of Fundamental ...

Customary international law is, evidently, a troublesome issue for the rule of law. Few legal regimes claim the ability to 'discover' and apply amorphous laws to every state on the planet, no matter the ambiguous discretion involved and the inability of those on the receiving end to predict it.

What is customary international law? - Rule of Law ...

Customary international law, it is generally agreed, finds its source in the widespread consistent practice of states.¹⁷ International custom is seen as a source of international law because the thought is that if states act in a certain consistent manner, then such states may be acting in such a manner because they have a sense of legal obligation – dubbed *opinio juris*.

Customary International Law in the 21st Century: Old ...

Customary international law consists of rules that come from "a general practice accepted as law" and exist independent of treaty law. Customary IHL is of crucial importance in today's armed

conflicts because it fills gaps left by treaty law and so strengthens the protection offered to victims.

Customary law | ICRC

customary international law ... in fact comprises a limited set of norms for ensuring the co-existence and vital co-operation of the members of the international community, together with a set of customary rules whose presence in the opinio juris of States can be tested by induction based on the analysis of a sufficiently extensive and convincing practice, and not by deduction from preconceived ideas. 86

Determining Customary International Law: The ICJ's ...

Customary international law is an aspect of international law involving the principle of custom. Along with general principles of law and treaties, custom is considered by the International Court of Justice, jurists, the United Nations, and its member states to be among the primary sources of international law. Many governments accept in principle the existence of customary international law, although there are differing opinions as to what rules are contained in it. In 1950, the International L
