Ashes in the Wind

The Destruction of Dutch Jewry *Souvenir PressLtd*

Setting out the processes that allowed the Nazis to perpetuate mass murder, this detailed history documents the destruction of Dutch Jewry, from isolation to deportation and, ultimately, extermination. Focusing on a country often forgotten in Holocaust histories, this comprehensive account describes how 110,000 Jews were deported from the Netherlands to concentration camps in 1940 but less than 6,000 returned at

the end of the war. Utilizing 15 years of research and documents from the Netherlands State Institute for War Documentation, the incremental demands on Jewish citizens are analyzed—starting with forced registry and ending with death at concentration camps—while demonstrating how this slow progression led the Germans involved to accept these atrocities. Graphically recounting stories of persecution, going into hiding, and life in the transit camps, it conveys the despair experienced as families and lives were destroyed, while showing how these stories fit into a wider, global picture. This newly updated version also provides additional information on Dr. Presser himself and how he wrote this book.

members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and

Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
