A grand jury is a jury – a group of citizens – empowered by law to conduct legal proceedings and investigate potential criminal conduct, and determine whether criminal charges should be brought. A grand jury may subpoena physical evidence or a person to testify. A grand jury is separate from the courts, which do not preside over its functioning. The United States and Liberia are the only countries that retain grand juries, though other common law jurisdictions formerly employed them, and ...

Grand jury - Wikipedia

Grand juries in the United States are groups of citizens empowered by United States federal or state law to conduct legal proceedings, chiefly investigating potential criminal conduct and determining whether criminal charges should be brought. The grand jury originated under the law of England and spread through colonization to other jurisdictions as part of the common law. Today, however, the United States is one of only two jurisdictions, along with Liberia, that continues to use the grand jur
