George Stephenson - Girlfriend, Dating, Net Worth, Age ...

George Stephenson : biography. 9 June 1781 – 12 August 1848. The rails used for the line were wrought-iron, produced by John Birkinshaw at the Bedlington Ironworks. Wrought-iron rails could be produced in longer lengths than cast-iron and were less liable to crack under the weight of heavy locomotives. William Losh of Walker Ironworks thought he had an agreement with Stephenson to supply cast-iron rails, and Stephenson’s decision caused a permanent rift between them.

George Stephenson - Interesting stories about famous ...

George Stephenson was born on June 9, 1781, in Wylam, Northumberland, England. He was the second child of an illiterate couple, Robert and Mabel Stephenson. His father worked for the Wylam Colliery Pumping Engine as a fireman. The income was meager and there was no money for education.
