The Arctic has even been included in Chinese President Xi Jinping’s Belt and Road Initiative, an ambitious development campaign to boost trade across Asia and beyond. 3 Traditional nonsecurity issues, such as sea trade and research, which function as a platform for cooperation in the region, therefore begin to look more like

security issues in an age of strategic competition, casting further ...

Military and Environmental Challenges in the Arctic - New ...

It outlines the environmental changes transforming the Arctic, and theorises the Arctic as a regional environmental security complex in which conditions of security for state and non-state referent objects are predicated on a particular ecological context. It then surveys state- and human security issues in the Arctic, and argues that environmental change has destabilised the ecological base on which the contemporary Arctic as a cooperative region supportive of human activity has been built.
