**Economics For Business And Cwg
Pack by John Sloman**

Businesses need to make choices of what and how much to produce, what techniques to use, who to employ, what investment to make, where to locate, what markets to develop and how best to compete with rivals. Economics helps them make the right decisions. But making the right decisions depends on the economic environment in which businesses operate. For example,

government policy affects business: whether through taxation, subsidies, training and education, regulation or trade policies.

Sloman, Economics for Business, 8th Edition

Concise and accessible, this sixth edition focuses on the core economics you will need as a business student, or as a student studying a related discipline, such as management, in addition to key business-related topics, such as business organisation and strategy.
