Despite those health advances, the fact remains that caring for a spouse in need, regardless of their age, is very demanding, stressful and could threaten your own health. The Journal of American Medical Association reports that if you are a spousal caregiver between the ages of 66 and 96, and are experiencing ongoing mental or emotional strain as a result of your caregiving duties, there's a 63% increased risk of dying over those people in the same age group who are not caring for a spouse.

The first thing that you need to keep in mind when you first find

out that your wife is pregnant is that how you react to the news can easily set the tone for the rest of the pregnancy. For the best results, act brave. While finding out that your wife is pregnant may make you nervous, you need to act like you are excited and prepared. You need to be there to support her for the next nine months and years after that as well.
