The World of Work Today. The world is changing faster than ever before. Things are not the same as they were 5 or 10 years ago and so is the world of work which significantly shifted not only as a result of the recession, but also because of the technology development, digital advances and the new expectations of the younger generations of workers. The way we produce and collaborate today remodeled our workplace, and with that our lives.

The World of Work. In 1904, workers were subject to a longer working day and a longer working week, far less holidays and far less comfortable working environments than is the norm for Ireland in 2004. In some cases workers were expected to work up to 100 hours a week, though the standard week was around 60 hours.
