The Wrong Way to Save Your Life

Essays *HarperCollins*

From an important new American writer comes this powerful collection of personal essays on fear, creativity, art, faith, academia, the Internet, and justice. In this poignant and inciting collection of literary essays, Megan Stielstra tells stories to ward off fears both personal and universal as she grapples toward a better way to live. In her titular piece "The Wrong Way To Save Your Life," she answers the question of what has value in our lives—a question no longer rhetorical when the apartment above her family's goes up in flames. "Here is My Heart" sheds light on Megan's close relationship with her father, whose continued insistence on climbing mountains despite a series of heart attacks leads the author to dissect deer hearts in a poetic attempt to interrogate her own feelings about mortality. Whether she's imagining the implications of open-carry laws on college campuses, recounting the story of going underwater on the mortgage of her first home, or revealing the unexpected pains and joys of marriage and motherhood, Stielstra's work informs, impels, enlightens, and embraces us all. The result is something beautiful—this story, her courage, and, potentially, our own. Intellectually fierce and viscerally intimate, Megan Stielstra's voice is witty, wise, warm, and above all, achingly human. "Stielstra is a masterful essayist."—Roxane Gay, author of Bad Feminist and Hunger

Let God Change Your Life

How to Know and Follow Jesus *David C Cook*

Evangelist Greg Laurie calls all Christians back to radical New Testament living in his latest offering, Let God Change Your Life. Imagine what it would have been like to be a follower of Jesus; first-century Christians walked away from their old lives just to be where He was. What they learned, sitting at His feet, was discipleship. And when His work on earth was done, first-century Christians took His words and example and spread out, teaching the gospel to everyone. The good news is that we, too, can participate in this lifestyle. Laurie drills it down in three simple ideas: get to know Jesus, follow His plan for discipleship, and use it to tell others what we know. Laurie's tone is clear, direct, and biblical.

You Can Overcome the Jealousites in Your Life *AuthorHouse*
What is a jealousite, you might ask? The term jealous means very watchful or careful in guarding or keeping, resentfully suspicious of a rival or a rival's influence, resentfully envious, resulting from such feelings, requiring exclusive loyalty. An "ite" is a native inhabitant, or citizen of; a descendent from or offspring of; an adherent of, believer in, or member of. A jealousite is anyone that God wants to deal with who is in need of cleansing from jealousy and envy in your territory and life, even if it's yourself. So, you've fallen into the pit of sin and jealousy and envy has a hold on you. Is it to late for you or those in your territory or life who may be struggling with this sin? The answer is no. So many are stuck or at a stand still in life, while others are watching enviously at those who are pursuing ahead. We can no longer ignore this crisis for it affects our relationships on all levels. Whether it be in your home, in the workplace, in your school, in your church, in your family, in your friendships or in your nation. Jealousy and envy is lurking through the eyes and hearts of those who are in need of a God-sized transformation. If you are tired of living an average, defeated, self-consumed and insecure life, this book was designed with you in mind. You don't have to sit back and watch others get to the finish line. You can get in the race and finish your course also. No longer do you have to compare yourself to others but you can find peace with God and others by accepting your value and worth. You, yes you, are called to make a difference and a contribution in the lives of others. This book's message is a beckoning call for healing, deliverance, restoration and forgiveness to the broken hearted. If you've been desiring to get ahead in life, to advance beyond the pain, sufferings and struggles you've been experiencing, this is your time.

"A beautiful tribute to the power of good teachers."--Terry Gross, Fresh Air "One of the most inspiring stories I've come across in a long time."--Pamela Paul, New York Times Book Review Ryan Speedo Green had a tough upbringing in southeastern Virginia: his family lived in a trailer park and later a bullet-riddled house across the street from drug dealers. His father was absent; his mother was volatile and abusive. At the age of twelve, Ryan was sent to Virginia's juvenile facility of last resort. He was placed in solitary confinement. He was uncontrollable, uncontainable, with little hope for the future. In 2011, at the age of twenty-four, Ryan won a nationwide competition hosted by New York's Metropolitan Opera, beating out 1,200 other talented singers. Today, he is a rising star performing major roles at the Met and Europe's most prestigious opera houses. SING FOR YOUR LIFE chronicles Ryan's suspenseful, racially charged and artistically intricate journey from solitary confinement to stardom. Daniel Bergner takes readers on Ryan's path toward redemption, introducing us to a cast of memorable characters--including the two teachers from his childhood who redirect his rage into music, and his long-lost father who finally reappears to hear Ryan sing. Bergner illuminates all that it takes--technically, creatively--to find and foster the beauty of the human voice. And Sing for Your Life sheds unique light on the enduring and complex realities of race in America.

“In When Your Life Is On Fire Erik Kolbell listens, provokes, and most of all, shares with us the enduring lessons and insights of life and faith as realized by a diverse population of thoughtful people. It’s a town hall of the soul.” -- Tom Brokaw If your life was on fire, what would be the one thing you save? Psychotherapist and former pastor Erik Kolbell asks that question of 13 remarkable and unique individuals, and the answers may surprise you. Provided by celebrities such as Jane Pauley and Alan Alda, artists such as Regina Carter and Tao Porchon Lynch, and ordinary people put into extraordinary situations like Don Lange and Brenda Berkman, these reflections will help all of us consider what it is that we value most in life. His goal, Kolbell says, is not to examine the worth of each of these things. “What matters is that for all of the sham and artifice that can make cynics of us all, there are things, solid things, that compel us onward.”

Stop Sabotaging Your Life

3 Steps to Your Full Potential *Createspace Independent Pub*
In Stop Sabotaging Your Life: 3 Steps To Your Full Potential, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence.How many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough.... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams.LoGreco doesn't claim his book will cure everything that ails you. As he says, “There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether.”What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco:“As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what 'I' was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself.... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that.”— Cristina“The world is filled with very successful executives who for decades focus every waking minute on professional accolades and professional development [only to] realize they haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past.... I came across Bruno, and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on; challenges you to challenge yourself; opens your mind; helps you understand behaviors, experiences and patterns; gets you in touch with yourself; fuels a sense of purpose and passion; and escorts you to chart a new course to life. He never judges, but relentlessly encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential.” —Adrian“If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him.... Bruno got me to step outside of my comfort zone and do things I

normally wouldn't have done otherwise, which is undoubtedly the key to growth.” —Blaine

“An amazing and brilliant instruction manual on how to find purpose, build a career, and live a life of fulfillment.” – DEEPAK CHOPRA A surefire guide to planning your next career move and discovering the job you really want. Jennifer Turliuk was dissatisfied in her corporate job, so she quit. But she had no idea what to do next. After university, she, like so many graduates, focused on just getting a job rather than figuring out the career she really wanted. Instead of getting another degree or going back to school to change her career path, Turliuk embarked on a “self-education journey,” interviewing and shadowing some of the world’s leading professors, founders, and investors from Silicon Valley companies such as Airbnb, Square, and Kiva. What she discovered was not only a way to find out what she really wanted to do with her own life, but also a career-design process that would help others do just the same. Turliuk’s career-prototyping framework uses tested strategies and exercises, including quantified self, design thinking, and lean methodology to help everyone from recent graduates to mid-career workers looking for a change. Let this book be your guide to finding a satisfying and passion-driven career that is right for you.
