Boundary delimitation - Wikipedia

II. Brief history of the development of the law of maritime delimitation. 7. The law of maritime delimitation can be said to have developed in three phases: – A first phase prior to 1958 when the rules of international law governing the delimitation of maritime spaces were not codified. Customary international law only recognized the sovereignty of a coastal State over the waters immediately adjacent to its coast (generally to a distance of 3 nm) – the territorial sea.
