Hart Studies in Comparative Public Law Ser.: Governance by ...

The division of the volume in two parts resonates with the core argument put forward by the author who states that in the last few decades the organization of human action has become increasingly governed by numbers and quantification rather than law. In a nutshell, the main function of constitutional orders has moved from government to governance. Supiot capitalizes on this point in order to show that this move has transformed the role and the status of law in contemporary societies.
