You do not need an HP part number processor. All the 620M processors are the same. If the processor is in the Service Guide it should work on the same motherboard. The G62 Manual is very complex with Model 1.0, 1.1, 1.2, etc. The 620M is only for Model 1.0. Be sure you have the same, but the i3-330M is also apparently only used on Model 1.0.
