This chapter discusses the decline in religious practice in the Western world, in both Protestant churches and the Roman Catholic Church. In the ten years between 1965 and 1975, large numbers of people lost the habit of regular church going. Protestant churches saw a serious drop in membership. The Catholic Church saw a mass exit from the priesthood and a large fall in clerical recruitment.

Crisis of the Church - Oxford Scholarship

As we look through church history, we see that the church has been through many times of crisis. In fact, some of those crises came right at the beginnings of the church. One big crisis came before we even get out of the pages of the New Testament. In AD 64, there was the Great Fire in Rome.

The Crisis of the Late Middle Ages was a series of events in the fourteenth and fifteenth centuries that brought centuries of European stability to a halt. Three major crises led to radical changes in all areas of society: demographic collapse, political instabilities and religious upheavals. A series of disasters, beginning with the Great Famine of 1315-17 and especially the Black Death of 1347-1351, reduced the population perhaps by half or more as the Medieval Warm Period came to a ...
