Drawing on seven integrated design principles, the World Café methodology is a simple, effective, and flexible format for hosting large group dialogue.Each element of the method has a specific purpose and corresponds to one or more of the design principles. World Café can be modified to meet a wide variety of needs.

World Cafe Method :: The World Cafe

This is not a bad thing—some of the people I love most in this world are in this room and I would never have met them if it weren’t for this work we do for the bi+ community. The problem arises when we forget that working in community is about more than the people you like and it’s about more than the people you already know.
