"Phoenix Island" by John Dixon an Action-Packed Adventure John Dixon's "Phoenix

Island” is a compelling first-in-series novel for many reasons, but perhaps the most prominent is its ability to effectively straddle the adult and young-adult (YA) reading market. I’ve read several YA novels where I was led to believe that the author pulled off this feat, only to discover that the validity of the claim ranged from a bit off the mark to entirely fanciful.
