Fever Robin Cook

FEVER was my first Robin Cook.
Needless to say, I enjoyed it thoroughly.
Cancer is the bane of human society

today, and even at this moment
innumerable scientists are breaking their
heads over it, trying to find a cure for
the millions that suffer.

Fever by Robin Cook - Goodreads

Robin Cook is one of my favorite authors.
I enjoyed this book as much as all of his
others. He's created a doctor/researcher
who almost breaks down after an
incredible number of problems are
thrown at him. He's impulsive, but reacts
as any of us might under the same
pressures.
