Kody Frasier has come back to Fear Street to be in the film about the house where Kody's sister and brother were killed by an evil spirit. But all her dead sister wants is revenge.

The third horror (1994 edition) | Open Library

The Third Horror is the final book in the House of Evil trilogy. In traditional R.L Stine fashion, the book is

filled with gruesome stomach-turning horrors. After the failure of book 2, I was a bit skeptical about this book. In The First Horror, I didn't like Kody, I thought she was rather whiny.

The third horror (Book, 1994) [WorldCat.org]

This is the first in the 99 Fear Street trilogy, the house of evil. Twin sisters Cally and Kody aren't thrilled when their family move into the house that have stood empty for 3 decades. Soon weird things start happening; accidents occur, chunky green sour-smelling liquid pour out of the faucet, blood drips from the ceiling, and that's just the beginning...

The Third Horror by R. L. Stine | LibraryThing

The First Horror was a book I read around age nine or ten, and back then, this was some

scary shit. Rereading it as an adult, it holds up fairly well (unlike most of the Fear Street books). The last ten pages take a detour into stupid territory, but the rest of it's surprisingly frightening and well-written for a Fear Street book.
