**Opinion: Defining defunding the police to help our community**

Community policing, or community-oriented policing, is a strategy of policing that focuses on building ties and working closely with members of the community. It is a philosophy of full-service policing that is highly personal, where an officer patrols the same area for a period of time and develops a partnership with citizens to identify and solve problems. The central goal of community policing is for the police to build relationships with the community, including through local agencies to red
