The countryside is a mushroom hunter's wonderland. Magic mushrooms grow wild all over the place, just waiting to be

found by a discerning eye. However, distinguishing magic mushrooms from others, which are potentially dangerous, is a tricky business. For most, one mushroom looks the same as the other, so as you can imagine, the risk of wrongly identifying a mushroom puts many people off hunting their own magic supply.

The limitations of your magic system are far more interesting than the abilities of your magic system. Let that sink in for a moment. Take any situation where your magic users cast a fancy spell to get out of trouble, and I can guarantee it won't be as tension-filled and exciting as placing them in a situation where their magic doesn't work.
