I bought this little library a few months ago, when I first noticed how much my little girl seems to enjoy watching Sarah and Duck. These are very simple stories about the main characters, and great for little ones (1-2 years). My little girl (now 22 months) wants them read at least once a day, and can even remember the words.

My boys are obsessed with Sarah and Duck so this little set was a perfect addition to our book collection. As an added bonus, the covers of all four books make up a little puzzle, which they loved as well. Only thing I wish I had noticed first was how TINY they are. They are little picket sized books, not your typical

board book size.

This pattern includes both Sarah and Duck! I would say it's an intermediate skill level. There is a little bit of embroidery for the face. I have included tips in the pattern but do not teach you how to do it. I included the types of stitches I used so that you can look them up if you don't know how to do them.
