Architects In Pakistan

The Architecture of Lahore reflects the history of Lahore and is remarkable for its variety and uniqueness. There are buildings left from the centuries ago rule of the Mughal Dynasty, the Sikh Empire, as well as from the era of the British Raj, whose

style is a mixture of Victorian and Islamic architecture often referred to as Indo-Gothic. In addition, there are newer buildings which are very modern in their design. An interesting point about Lahore's architecture is that unlike the emphasis on

Architecture of Lahore - Wikipedia

Colonial architecture of Pakistan The modern State of Pakistan had been a part of British India which was an integral part of the British Empire that lasted more than a century. After the United Kingdom willingly granted the independence of state in 1947, that was conceived in early 1930s. The British introduced a new style of architecture.
