As Holloway’s book Change the World Without Taking Power makes clear, achieving such a new society involves transcending the central problem of capitalism—the fetishism of commodities. The problem is not just that we are dominated by a power outside us, the state or the capitalist class, but that our human relations take on the form of relations between things.

Can We Change the World without Taking Power - The Social ...

Book Description: This new edition of John Holloway's contemporary classic, Change the World Without Taking Power, includes an extensive new preface by the author. The wave of political demonstrations since the Battle of Seattle in 2001 have crystallised a new trend in left-wing politics. Modern protest movements are grounding their actions in both Marxism and Anarchism, fighting for radical social change in terms that have nothing to do with the taking of state power.
