#### The Forty-two Precepts of Maat *Cruzian Mystic Books*

THE FORTY TWO PRECEPTS OF MAAT, THE PHILOSOPHY OF RIGHTEOUS ACTION AND THE ANCIENT EGYPTIAN WISDOM TEXTS ADVANCED STUDIES This manual is designed for use with the 1998 Maat Philosophy Class conducted by Dr. Muata Ashby. This is a detailed study of Maat Philosophy. It contains a compilation of the 42 laws or precepts of Maat and the corresponding principles which they represent along with the teachings of the ancient Egyptian Sages relating to each. Maat philosophy was the basis of Ancient Egyptian society and government as well as the heart of Ancient Egyptian myth and spirituality. Maat is at once a goddess, a cosmic force and a living social doctrine, which promotes social harmony and thereby paves the way for spiritual evolution in all levels of society.

#### The Book of the Dead

#### Maat, the Moral Ideal in Ancient Egypt *Psychology Press*

Maat is the moral ideal of ancient Egypt whose texts contain information on Egypt's moral standards, its concepts of right from wrong, codes of behaviour and obligations. Written by a teacher of the tradition of Maat, this study is the `first philosophical book that is based on a philologically and historically critical treatment of first-hand Egyptian material'. Focusing on the Maatian ideal rather than moral practices, Karenga discusses what Maat is and its place within the genre of philosophical ethics and morality, asking what it can contribute to modern African culture and values. Extracts are transcribed and translated into English.

#### Maat

"In 1985, Ra Un Nefer Amen received, through divine revelation, the Metu Neter (Word of God) oracle ... In Maat, the 11 laws of God ... [he] shares the revelations he has received concerning the laws ... correlated with the Tree of Life - that influence and govern people's lives"--Back cover. His preface indicates that he refers to the Kamitic Tree of Life, rather than the somewhat different Hebraic version.

#### Law in Ancient Egypt

Law in Ancient Egypt examines the legal philosophy, legal institutions, and laws of the ancient Egyptians. Ancient documents, accounts, and literature provide the basis for a wide perspective of law and the Egyptian legal system. VerSteege delineates and analyzes the elements of Egyptian law, explaining how social, religious, cultural, and political forces shaped both the procedural and substantive aspects of law. Part I considers the theory of justice in ancient Egypt, exploring the role of law in society. Part I also traces the development of the judicial system distinguishing the various types of judges, courts, and procedures that were employed to make justice available to all. Part II reconstructs the substantive laws of the ancient Egyptians, including chapters detailing property, family law, inheritance and succession, tort and criminal law, contracts, and status. Land records, wills, sales documents, court chronicles, works of ancient fiction, and accounts of ancient trials illustrate the sophisticated, often subtle, and complex nature of law in ancient Egypt. This study

provides an introduction to law in ancient Egypt. It is the first comprehensive overview of the subject written from the perspective of someone trained as an American lawyer who is also sufficiently familiar with the discipline of Egyptology. The book will be of interest to Egyptologists, legal historians, law students, and educated non-specialists who are interested in the interaction of law, history, and ancient culture.

**Ma'at 42 Plus God** *CreateSpace*

This Pocket Edition of Ma'at 42 gives ideas, on how to perhaps, incorporate The Laws of Maat Principals in a simplistic kind of way in everyday living. **Death and Salvation in Ancient Egypt** *Cornell University Press*

"Human beings," the acclaimed Egyptologist Jan Assmann writes, "are the animals that have to live with the knowledge of their death, and culture is the world they create so they can live with that knowledge." In his new book, Assmann explores images of death and of death rites in ancient Egypt to provide startling new insights into the particular character of the civilization as a whole. Drawing on the unfamiliar genre of the death liturgy, he arrives at a remarkably comprehensive view of the religion of death in ancient Egypt. Assmann describes in detail nine different images of death: death as the body being torn apart, as social isolation, the notion of the court of the dead, the dead body, the mummy, the soul and ancestral spirit of the dead, death as separation and transition, as homecoming, and as secret. Death and Salvation in Ancient Egypt also includes a fascinating discussion of rites that reflect beliefs about death through language and ritual.

**The Book of the Dead** *BoD – Books on Demand*

Reproduction of the original: The Book of the Dead by E. A. Wallis Budge

**The 48 Laws Of Power** *Profile Books*

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. \_\_\_\_\_ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

**Book of the Dead**

**El Misterio de Maat, Diosa de la Justicia en el Antiguo Egipto** *BUENOS BOOKS AMERICA LLC*

Desde los comienzos de la egiptología, los especialistas no pararon de acumular textos que hablan de Maat, diosa egipcia de la justicia. A pesar de toda esta documentación, Maat sigue siendo un misterio para ellos. Hasta la fecha dicen no saber lo que es exactamente la Maat. Un trabajo notable de desciframiento de los textos fue realizado por la ciencia egiptológica, pero en este campo, nadie ha sacado partido de los conocimientos de la historia de los derechos antiguos. Del mismo modo, nadie ha aprendido a observar las imágenes y aún menos a entender los símbolos. La imagen de la cubierta de este libro contiene, por sí sola ,uno de los más antiguos secretos de la civilización egipcia que nos ha llegado intacto. Verdadera investigación, este libro saca partido de todos los indicios acumulados por los egiptólogos en relación con Maat. Gracias a sus competencias jurídicas y a su familiaridad con los símbolos -formada a través de un largo trabajo sobre el lenguaje onírico-, la autora reúne las piezas del rompecabezas que faltaban para poder formar la imagen de Maat. Una vez entendido el significado de la misma, se comprende de forma inmediata e inesperada, toda la

civilización egipcia.

**Sacred Woman** *One World*

The twentieth anniversary edition of a transformative blueprint for ancestral healing—featuring new material and gateways, from the renowned herbalist, natural health expert, and healer of women’s bodies and souls “This book was one of the first that helped me start practices as a young woman that focused on my body and spirit as one.”—Jada Pinkett Smith Through extraordinary meditations, affirmations, holistic healing plant-based medicine, KMT temple teachings, and The Rites of Passage guidance, Queen Afua teaches us how to love and rejoice in our bodies by spiritualizing the words we speak, the foods we eat, the relationships we attract, the spaces we live and work in, and the transcendent woman spirit we manifest. With love, wisdom, and passion, Queen Afua guides us to accept our mission and our mantle as Sacred Women—to heal ourselves, the generations of women in our families, our communities, and our world.

**Peace in Ancient Egypt** *BRILL*

In Peace in Ancient Egypt, Vanessa Davies offers a new analysis of the ancient Egyptian concept of hetep ("peace").

**The Christ Conspiracy** *SCB Distributors*

In this highly controversial and explosive book, archaeologist, historian, mythologist and linguist Acharya S. marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies, mystery schools and religions in order to unify the Roman Empire under one state religion. In developing such a fabrication, this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era, and reworked them for centuries into the religion passed down to us today. Contrary to popular belief, there was no single man who was at the genesis of Christianity; Jesus was many characters rolled into one. These characters personified the ubiquitous solar myth, and their exploits were well known, as reflected by such popular deities as Mithras, Heracles/Hercules, Dionysos and many others throughout the Roman Empire and beyond. The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior-gods Krishna and Horus, who for millennia preceding Christianity held great favor with the people. The Christ Conspiracy shows the Jesus character as not unique or original, not “divine revelation.” Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces. The result of this myth making has been “The Greatest Conspiracy Ever Sold.” .

**A Handbook of Egyptian Religion**

**The Maxims of Ptah-hotep**

**Maat in Egyptian Autobiographies and Related Studies** *Vandenhoeck and Ruprecht*

**Ancient Egypt** *Cosimo, Inc.*

With his earlier two series in Egyptology, Gerald Massey turned existing doctrine on its head to argue that not only had Egypt spawned human civilization, but that Egyptian mythology was the basis for Jewish and Christian beliefs. The culmination of his years at this particular intellectual pursuit, Ancient Egypt: The Light of the World is Massey's crown jewel. In this, the most philosophical (in both tone and concept) of his Egyptological works, Massey, ever the intrepid escort, leads a tour through thousands of years of sociological, cultural, and spiritual development, all the while pointing, with dazzling reason and persuasive prose, to a distant, common, Egyptian origin. British author GERALD MASSEY (1828-1907) published works of poetry, spiritualism, Shakespearean criticism, and theology, but his best-known works are in the realm of Egyptology, including A Book of the Beginnings and The Natural Genesis.

**Architecture for the Dead : Cairo's Medieval Necropolis** *American Univ in Cairo Press*

The great medieval necropolis of Cairo, comprising two main areas that together stretch twelve kilometers from north to south, constitutes a major feature of the city's urban landscape. With monumental and smaller-scale mausolea dating from all eras since early medieval times, and boasting some of the finest examples of Mamluk architecture not just in the city but in the region, the necropolis is an unparalleled--and until now largely undocumented--architectural treasure trove. In Architecture for the Dead, architect Galila El Kadi and photographer Alain Bonnamy have produced a comprehensive and visually stunning survey of all areas of the necropolis. Through detailed and painstaking research and remarkable photography, in text, maps, plans, and pictures, they describe and illustrate the astonishing variety of architectural styles in the necropolis: from Mamluk to neo-Mamluk via baroque and neo-pharaonic, from the grandest stone buildings with their decorative domes and minarets to the humblest--but elaborately decorated--wooden structures. The book also documents the modern settlement of the necropolis by families creating a space for the living in and among the tombs and architecture for the dead.

**The Parents Guide to the Asarian Resurrection Myth** *Cruzian Mystic Books*

THE PARENTS GUIDE TO THE AUSARIAN RESURRECTION MYTH: How to Teach Yourself and Your Child the Principles of Universal Mystical Religion. **Magic in Ancient Egypt**

Medicine, religion, science and magic. According to the author All coexisted in Ancient Egypt.

**When Egypt Ruled the East** *University of Chicago Press*

Here, adequately presented for the first time in English, is the fascinating story of a splendid culture that flourished thirty-five hundred years ago in the empire on the Nile: kings and conquests, gods and heroes, beautiful art, sculpture, poetry, architecture. Significant archeological discoveries are constantly being made in Egypt. In this revision Professor Steele has rewritten whole chapters on the

basis of these new finds and offers several new conclusions to age-old problems.

Maat

A return to the substance and source of African morality by recovering the rational kernel of Africa's ancient moral and ethical traditions and putting it to paper. The term Maat essentially means "truth and justice incarnate" in all aspects of life. Our aim in preparing this book is to serve as a bridge, a portal, a medium for transmitting the transcendental wisdom of our ancestors across centuries, to absorb the most valuable elements of preceding ancient and modern developments, molding those vast experiences into an enlightening repository of guiding principles.--Page 18-19.

Metu Neter: Anuk ausar : the Kamitic initiation system

Middle Egyptian Cambridge University Press

Middle Egyptian introduces the reader to the writing system of ancient Egypt and the language of hieroglyphic texts. It contains twenty-six lessons, exercises (with answers), a list of hieroglyphic signs, and a dictionary. It also includes a series of twenty-five essays on the most important aspects of ancient Egyptian history, society, religion and literature. The combination of grammar lessons and cultural essays allows users to not only read hieroglyphic texts but also to understand them, providing readers with the foundation to understand texts on monuments and to read great works of ancient Egyptian literature in the original text. This second edition contains revised exercises and essays, providing an up to date account of current research and discoveries. New illustrations enhance discussions and examples. These additions combine with the previous edition to create a complete grammatical description of the classical language of ancient Egypt for specialists in linguistics and other fields.

Conflicted Antiquities Duke University Press

Conflicted Antiquities is a rich cultural history of European and Egyptian interest in ancient Egypt and its material culture, from the early nineteenth century until the mid-twentieth. Consulting the relevant Arabic archives, Elliott Colla demonstrates that the emergence of Egyptology—the study of ancient Egypt and its material legacy—was as consequential for modern Egyptians as it was for Europeans. The values and practices introduced by the new science of archaeology played a key role in the formation of a new colonial regime in Egypt. This fact was not lost on Egyptian nationalists, who challenged colonial archaeologists with the claim that they were the direct heirs of the Pharaohs, and therefore the rightful owners and administrators of ancient Egypt’s historical sites and artifacts. As this dispute developed, nationalists invented the political and expressive culture of “Pharaonism”—Egypt’s response to Europe’s Egyptomania. In the process, a significant body of modern, Pharaonist poetry, sculpture, architecture, and film was created by artists and authors who looked to the ancient past for inspiration. Colla draws on medieval and modern Arabic poetry, novels, and travel accounts; British and French travel writing; the history of archaeology; and the history of European and Egyptian museums and exhibits. The struggle over the ownership of Pharaonic Egypt did not simply pit Egyptian nationalists against European colonial administrators. Egyptian elites found arguments about the appreciation and preservation of ancient objects useful for exerting new forms of control over rural populations and for mobilizing new political parties. Finally, just as the political and expressive culture of Pharaonism proved critical to the formation of new concepts of nationalist identity, it also fueled Islamist opposition to the Egyptian state.

The Egyptian Book of the Dead

Encyclopedia of Ancient Egypt Infobase Publishing

An A-Z reference providing concise and accessible information on Ancient Egypt from its predynastic cultures to the suicide of Cleopatra and Mark Anthony in the face of the Roman conquest. Annotation. Bunson (an author of reference works) has revised her 1991 reference (which is appropriate for high school and public libraries) to span Egypt's history from the predynastic period to the Roman conquest. The encyclopedia includes entries for people, sites, events, and concepts as well as featuring lengthy entries or inset boxes on major topics such as deities, animals, and the military. A plan and photograph are included for each of the major architectural sites.

A History of Ancient Near Eastern Law (2 vols) BRILL

A comprehensive survey of the Law of the Ancient Near East by a team of specialist scholars, this volume allows non-specialists access to the world's earliest known legal systems.

The Egyptian Heaven and Hell Library of Alexandria

Seth - a Misrepresented God in the Ancient Egyptian Pantheon? British Archaeological Reports

This study examines aspects of Seth which suggest that throughout Egyptian history he was continually worshipped and indeed, at times, enjoyed some prominence, notably in the Pre- and early-Dynastic periods, during the Hyksos interlude of the Second Intermediate Period and during the Ramesside era of the 19th and 20th Dynasties. Whilst previous authors have devoted some scholarship to these various aspects of Seth there have been very few attempts to bring all these together and to demonstrate that rather than being something of an outsider' to the Egyptian pantheon, he actually had an important role within it, and as such was continually worshipped throughout ancient Egyptian history. In sum, the author examines the role of Seth as he was perceived by the Ancient Egyptians at specific times throughout their history. To achieve this aim a chronological approach is taken beginning with Seth's role in Predynastic Egyptian religion and then progressing through the early Dynastic and Old Kingdom, the First Intermediate period and the Middle Kingdom, the Second Intermediate Period, the New Kingdom, the Third Intermediate Period, the Late Period, and culminating with the Graeco-Roman Period up to the death of Cleopatra."

The Ten Commandments B&H Publishing Group

From the acclaimed New American Commentary Studies in Bible & Theology series, a book examining the ancient and modern significance of each of the Ten Commandments.

World Migration Report 2020 United Nations

Since 2000, IOM has been producing world migration reports. The World Migration Report 2020, the tenth in the world migration report series, has been produced to contribute to increased understanding of migration throughout the world. This new edition presents key data and information on migration as well as thematic chapters on highly topical migration issues, and is structured to focus on two key contributions for readers: Part I: key information on migration and migrants (including migration-related statistics); and Part II: balanced, evidence-based analysis of complex and emerging migration issues.

The Pyramid Texts Library of Alexandria

The Egyptian pyramid texts, which are the basis of this work, were collected and inscribed on the walls of five royal pyramids at Sakkareh between the years 2350 and 2175 B.C. The present work is the first English translation with commentary.

Chronicles Egyptian civilization from the Predynastic Period to the end of Roman rule, arranged thematically in chapters such as "Religion of the Living," "Architecture and Building," and "Everyday Life."

Maat Magick Weiser Books

Progressing from Thelemic Magick, Maat Magick transforms the ashes and rubble of the destruction caused by the old formula of the Dying God into a new world society. These rituals are designed for the individual, but can be adapted for group work.Introduction by Kenneth Grant, foreword by Jan Fries. Includes "Liber Pennae Praenumbra," a document received by Nema while in a visionary trance. Glossary. Bibliography. Index.

Egyptian Religious Poetry

The Hermetica Piatkus Books

The first easily accessible translation of the esoteric writings that inspired some of the world's greatest artists, scientists, and philosophers. Here is an essential digest of the Greco-Egyptian writings attributed to the legendary sage-god Hermes Trismegistus (Greek for thrice-greatest Hermes)?a combination of the Egyptian Thoth and the Greek Hermes. The figure of Hermes was venerated as a great and mythical teacher in the ancient world and was rediscovered by the finest minds of the Renaissance. The writings attributed to his hand are a time capsule of Egyptian and Greek esoteric philosophy and have influenced figures including Blake, Newton, Milton, Shelley, Shakespeare, Botticelli, Leonardo da Vinci, and Jung. Providing a fascinating introduction to the intersection of the Egyptian and Hellenic cultures and the magico-religious ideas of the antique world, "The Hermetica" is a marvelous volume for anyone interested in understanding the West's roots in mystical thought.
