About Master Gardeners Uaex

The University of Arkansas Master Gardeners hold an annual state conference which is hosted and coordinated by a different local program each year. This three day event provides Master Gardeners the opportunity to participate in workshops, seminars, garden tours, and allows them to connect with other Master Gardeners from across the state.

Arkansas Master Gardeners Program - uaex.edu

In 2013 the Master Gardener online reporting system became a reality after much planning and

hard work by a Benton County Master Gardener. The system has since been taken over by Extension IT services . The reporting system has become a great asset to the program on both a statewide and county level. Both county agents and Master Gardeners benefit from having an accurate record of hours reported in their county program on any given day.

Online Reporting for Arkansas Master Gardeners

Basic training classes for the Arkansas Master Gardener Program include a minimum of 40 hours of education given on subjects including annuals, perennials, vines, trees, shrubs, vegetables, fruits, and

other horticulture-related subjects. Classes for the online format are a video format with teachers and speakers from different areas of the state. Students cannot self-enroll in this course.
