Math Goals and Objectives-Grade 6

Math IEP goals are one of my nemeses as an advocate. Because here's the thing. Very few math skills are stand-alone skills. To perform even the most basic skill, a student needs other foundation skills. I find that when you dig deep underneath the skill deficits behind the math deficits, you often find a whole host of other issues. ...

Math IEP Goals | What most IEP teams fail to address ...

When establishing reading and math IEP goals, it is important to collect data to determine a baseline and monitor progress. Data can be collected using fluency probes, MAZE probes for comprehension, word lists, timed math computation probes (such as mad minutes), and math concepts and applications assessments.

Setting IEP Goals for Reading and Math - BrightHub Education

An Individual Education Program is a road map created by a special education team that lays out educational goals and expectations for special needs students. A major feature of the plan involves IEP goals, which must be specific, measurable, achievable, results-oriented, and time-bound. Writing IEP math goals for operations in the primary grades can be challenging, but viewing example can be ...
