A Manual for Writers of Research Papers, Theses, and Dissertations - Ninth Edition by Kate L. Turabian When Kate L. Turabian first put her famous guidelines to paper, she could hardly have imagined the world in which today’s students would be conducting research. Yet while the ways in which we research and compose papers may have changed, the fundamentals remain the same: writers need to have a strong research question, construct an evidence-based argument, cite their sources, and ...
