A Concise History Of Western

The slow hard road is exemplified by Taruskin, Oxford History of Western Music: (5 Vol set), with its huge wealth of detail and large number of supporting examples. I am slowly chomping my way through this woolly mammoth of a set, but after some months I am still in the 15th Century, and to be honest the detail is a little overwhelming.

Concise History of Western Music: Amazon.co.uk: Barbara ...

'A Concise History of History presents a truly global approach to the writing of history from ancient times to the present, integrating historiographical traditions from across the world into a pluralistic story. In a clear authorial voice shaped by years of teaching, Woolf examines history's multivocal past and speculates about its future.'

A Concise History of History : Daniel Woolf : 9781108444859

Engaging, clear and informative, this is the story of western music - of its great composers and also of its performers and listeners, of changing ideas of what music is and what it is for. Paul Griffiths shows how music has evolved through the centuries, and suggests how its evolution has mirrored developments in the human notion of time, from the eternity of heaven to the computer's microsecond.

A Concise History of Western Music - Paul Griffiths ...

"Newly revised and updated with outstanding ancillaries, Concise History of Western Music, Fourth Edition, is the most engaging and accessible brief survey of Western music history available. By highlighting essential information and setting musical works and genres in a memorable historical and cultural context, Concise History of Western Music provides the tools students need to succeed.
