Covet by J.R. Ward Genres: Adult, Paranormal, Romance, Suspense 5 Stars This is going to be a very short review. I read this book back in April of 2015. I went into it with no expectations. I had just discovered J.R. Ward's BDB about 6 months previously and I was waiting to get my greedy hands on the next in the series when I ran into this book.

I am a very big fan of J.R. Ward and her Black Dagger Brotherhood series, because of that I had high expectations for Covet and the new Fallen Angel series. Unfortunately, the book fell short of it's potential. It took me quite a while to get into the story and be invested in it. Even at almost the

halfway point I wasn't sure I was enjoying it.
