Volkswagen Passat. Enter the car make and car model for which you want to see an overview of engine codes. In the overview, you will then get a list of the engine codes with the years of construction and engine capacity. If there is a match with other car makes and car models, these will also be shown in the overview. Please note that the information provided does not guarantee 100% accuracy and compatibility.

Volkswagen Passat Engine codes |

ProxyParts.com

One common engine code Volkswagen owners get is P0101. Whether it is a gas or diesel, the cause is the mass air flow (MAF) sensor, which measures the amount of air flowing into the engine. The sensor is likely overly sensitive. If the sensor detects the flow is more than 18% out of spec, it will trigger the engine light.
