The Last Hours of

**Ancient Sunlight:
Revised and
Updated Third
Edition**

**The Fate of the
World and What We
Can Do Before It's
Too Late** *Harmony*

While everything appears to be collapsing around us – ecodamage, genetic engineering, virulent diseases, the end of cheap oil, water shortages, global famine, wars – we can still do something about it and create a world that will work for us and for our children's children. The inspiration for Leonardo DiCaprio's feature documentary movie *The Eleventh Hour* and soon to be released HBO special *Ice on Fire*, *Last Hours of Ancient Sunlight* details what is

happening to our planet, the reasons for our culture's blind behavior, and how we can fix the problem. Thom Hartmann's comprehensive book is one of the fundamental handbooks of the environmental activist movement. Now with fresh, updated material on our Earth's rapid climate change and a focus on political activism and its effect on corporate behavior, *The Last Hours of Ancient Sunlight* helps us understand – and heal – our relationship to the world, to each other, and to our natural resources.

**The Last Hours of
Ancient Sunlight**

**Waking Up to
Personal and Global
Transformation**
Harmony

Offers a passionate, visionary call to enlightened consciousness that combines spiritual thought and ecological principles to promote a positive future for the planet and its inhabitants. 50,000 first printing. Tour.

The Last Hours of Ancient Sunlight

Waking Up to Personal and Global Transformation

Random House Australia

A call to consciousness that combines spirituality and ecology and offers hope for the future. As the world's population explodes, cultures and species are wiped out, and we have now reached the halfway point of our supplies of oil, humans the world over are

confronting difficult choices about how to create a future which works. Thom Hartmann proposes that the only lasting solution to the crises we face is to re-learn the lessons our ancient ancestors knew - lessons that allowed them to live sustainably for hundreds of thousands of years - but which we've forgotten. Hartmann shows how to find this new and yet ancient way of seeing the world and the life on and in it, allowing us to touch that place where the survival of humanity may be found.

The Last Hours of Ancient Sunlight

Random House Australia

"A call to consciousness that combines spirituality

and ecology and offers hope for the future. As the world's population explodes, cultures and species are wiped out, and we have now reached the halfway point of our supplies of oil, humans the world over are confronting difficult choices about how to create a future which works. Thom Hartmann proposes that the only lasting solution to the crises we face is to re-learn the lessons our ancient ancestors knew - lessons that allowed them to live sustainably for hundreds of thousands of years - but which we've forgotten. Hartmann shows how to find this new and yet ancient way of seeing the world and the life on and in it, allowing us to touch that place where the survival of

humanity may be found."

The Prophet's Way

A Guide to Living in the Now *Simon and Schuster*

Thom Hartmann's own dramatic spiritual journey that illuminates specific techniques for achieving spiritual transformation • Recounts travels to the farthest corners of the earth in pursuit of universal spiritual truths • Reveals the teachings of Hartmann's spiritual guides, providing an intimate glimpse into his relationship with German mystic Herr Müller • Offers practices and techniques for readers seeking to grow spiritually In the course of his work for the

charitable organization Salem, Thom Hartmann personally witnessed famine in Uganda, chaos in Russia, and genocide in Colombia--all signs that modern cultures have lost the connection to the sacred, both within and without, that was emblematic of older cultures. To truly flourish, the human spirit needs to be present in its surroundings and attuned to the Now. It needs to act on what it knows is possible and to experience how the smallest actions can have massive consequences. This is the reality of the Prophet's Way, a path--both literal and figurative--that the author walked with his spiritual mentor Herr Müller that skirts the

edge of the precipice, where one can experience a truly spontaneous life under seemingly overwhelming and impossible circumstances. In *The Prophet's Way*, Thom Hartmann shares his intense spiritual journey, a story that melds recent discoveries in science with ancient truths. Through insightful and engaging vignettes Hartmann teaches that accepting the challenge to have faith means living on the edge--remaining in the moment--because it is here where the material and spiritual worlds meet. He offers readers a unique view into his experiences of expanded consciousness, providing a powerful example of how we can

re-create our future by reconnecting to the sacred heartbeat of the world.

Titanic's Last Hours

The Facts *Bearport Publishing*

From the moment the iceberg was spotted, at 11:40 P.M. on April 14, 1912, the Titanic's fate was sealed. Its 2,200 passengers and crew, in the course of two momentous hours, would meet their destiny in the icy, black waters of the North Atlantic. As the moments passed and the reality of what was happening began to sink in, the crew would make heroic efforts to save as many passengers as possible. In the end, however, the great ship would exact a harrowing toll from all

on board. *Titanic's Last Hours: The Facts* is a riveting account of the last two hours the supposedly unsinkable ship was afloat. Beginning at 11:40 P.M., the book relives the events set in motion after the brush with the iceberg and culminates with the sinking of the ship at 2:20 A.M. The fascinating moment-by-moment action along with large-format color images, maps, and fact boxes bring the nail-biting tension that passengers and crew must have faced in those final hours fully to life. *Titanic's Last Hours: The Facts* is part of Bearport's *Titanica* series.

The Ancient Hours *Melville House*

Harmony, North Carolina is a typical

town—full of saints and sinners you can't tell apart... Its history echoes with lynchings and shootings; mob violence and vigilante justice. But those are just whispers of a past lost to time. The summer of 2000 was different. Iggy in the Baptist church. Gasoline and a match. Twenty-five people dead. This, Harmony couldn't forget. Told in a kaleidoscope of timelines and voices, Michael Bible examines every dimension of a tragic but all-too-American story in *The Ancient Hours*. The victims, witnesses, perpetrators, and condemned come together and evolve as the passage of time works its way through their lives. What emerges is a fable of the American South in the highest

tradition: soaring, tragic, and eternally striving for redemption.

24 Hours in Ancient Rome

A Day in the Life of the People Who Lived There *Michael O'Mara Books*

Walk a day in a Roman's sandals. What was it like to live in one of the ancient world's most powerful and bustling cities - one that was eight times more densely populated than modern day New York? In this entertaining and enlightening guide, bestselling historian Philip Matyszak introduces us to the people who lived and worked there. In each hour of the day we meet a new character - from emperor to slave girl, gladiator to

astrologer, medicine woman to water-clock maker - and discover the fascinating details of their daily lives.

24 Hours in Ancient Athens

A Day in the Life of the People Who Lived There *Michael O'Mara Books*

Spend 24 hours with the ancient Athenians. See the city through their eyes as it teeters on the edge of the fateful war that would end its golden age. Athens, 416 BC. A tenuous peace holds. The city-state's political and military might are feared throughout the ancient world; it pushes the boundaries of social, literary and philosophical experimentation in an era when it has a

greater concentration of geniuses per capita than at any other time in human history. Yet even geniuses go to the bathroom, argue with their spouse and enjoy a drink with friends. Few of the city's other inhabitants enjoy the benefits of such a civilized society, though - as multicultural and progressive as Athens can be, many are barred from citizenship. No, for the average person, life is about making ends meet, whether that be selling fish, guarding the temple or smuggling lucrative Greek figs. During the course of a day we meet 24 Athenians from all strata of society - from the slave-girl to the councilman, the vase painter to the naval

commander, the housewife to the hoplite - and get to know what the real Athens was like by spending an hour in their company. We encounter a different one of these characters every chapter, with each chapter forming an hour in the life of the ancient city. We also get to spy on the daily doings of notable Athenians through the eyes of regular people as the city hovers on the brink of the fateful war that will destroy its golden age.

The Dawn of Everything

A New History of Humanity *Farrar, Straus and Giroux*
 INSTANT NEW YORK TIMES BESTSELLER A dramatically new understanding of

human history, challenging our most fundamental assumptions about social evolution—from the development of agriculture and cities to the origins of the state, democracy, and inequality—and revealing new possibilities for human emancipation. For generations, our remote ancestors have been cast as primitive and childlike—either free and equal innocents, or thuggish and warlike. Civilization, we are told, could be achieved only by sacrificing those original freedoms or, alternatively, by taming our baser instincts. David Graeber and David Wengrow show how such theories first emerged in the eighteenth century as

a conservative reaction to powerful critiques of European society posed by Indigenous observers and intellectuals. Revisiting this encounter has startling implications for how we make sense of human history today, including the origins of farming, property, cities, democracy, slavery, and civilization itself. Drawing on pathbreaking research in archaeology and anthropology, the authors show how history becomes a far more interesting place once we learn to throw off our conceptual shackles and perceive what's really there. If humans did not spend 95 percent of their evolutionary past in tiny bands of hunter-gatherers, what were they doing all that time? If agriculture, and cities, did not mean a plunge into hierarchy and domination, then what kinds of social and economic organization did they lead to? The answers are often unexpected, and suggest that the course of human history may be less set in stone, and more full of playful, hopeful possibilities, than we tend to assume. The Dawn of Everything fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom, new ways of organizing society. This is a monumental book of formidable intellectual range, animated by curiosity, moral vision, and a faith in the power of

direct action. Includes

Fahrenheit 451

Ancient Rome *ABDO*

The legacy of past civilizations is still with us today. In Ancient Rome, readers discover the history and impressive accomplishments of the ancient Romans, including their military power and feats of engineering. Engaging text provides details on the civilization's history, development, daily life, culture, art, technology, warfare, social organization, and more. Well-chosen maps and images of artifacts bring the past to life. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a

A Novel *Simon and Schuster*

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

The Ancient Ones

When David stumbles upon a tragic young woman in a sordid Limehouse pub, he has no idea she'd recognize him as the last vampyre alive, nor that she'd be the one to pull out his story. Yet as he recalls his life from the sweltering vineyards of Ancient Rome to the cold horrors of Medieval Romania - as well as his tumultuous past with the mad and mysterious Lucius - he

realizes she is much more than what she seems. Gothic horror and mythological fantasy blend seamlessly together in this thrilling adventure, breathing new life into vampire lore as it reveals its true origins. The Ancient Ones is a tale of myth, mayhem, and magic ... with a dash of romance that bites.

The Last Hour

A lone figure stands silhouetted atop the Mausoleum of Hadrian. Behind him, the sun is setting over the centre of the known world. Far below, the river is in full flood. The City of Rome lies spread out before him on the far bank. Footsteps pound up the stairs. He's been set up. An enemy is closing in; he is cornered. He jumps.

Bruised and battered, he crawls out of the raging river. He is alone and unarmed, without money or friends, trapped in a deadly conspiracy at the heart of the Empire. The City Watch has orders to take him alive; other, more sinister, forces want him dead. As the day dies, he realises he has only 24 hours to expose the conspirators, and save the leader of the world. If the Emperor dies, chaos and violence will ensue. If the Emperor dies, every single person he loves will die. He must run, bluff, hide and fight his way across the Seven Hills. He must reach the Colosseum, and the Emperor. He must make it to The Last Hour.

The Daily Show (The Book)

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

Grand Central Publishing

NEW YORK TIMES BESTSELLER

The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the

powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the

24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups,

and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Chain of Iron *Simon and Schuster*

The Shadowhunters must catch a killer in Edwardian London in this dangerous and romantic sequel to the #1 New York Times bestselling novel Chain of Gold, from New York Times and USA TODAY bestselling author Cassandra Clare. Chain of Iron is a Shadowhunters novel. Cordelia Carstairs seems to have everything she ever wanted. She's engaged to marry James Herondale, the boy she has loved since childhood. She has a new life in London with her best friend Lucie Herondale and James's

charming companions, the Merry Thieves. She is about to be reunited with her beloved father. And she bears the sword Cortana, a legendary hero's blade. But the truth is far grimmer. James and Cordelia's marriage is a lie, arranged to save Cordelia's reputation. James is in love with the mysterious Grace Blackthorn whose brother, Jesse, died years ago in a terrible accident. Cortana burns Cordelia's hand when she touches it, while her father has grown bitter and angry. And a serial murderer is targeting the Shadowhunters of London, killing under cover of darkness, then vanishing without a trace. Together with the Merry Thieves, Cordelia, James, and Lucie must follow the

trail of the knife-wielding killer through the city's most dangerous streets. All the while, each is keeping a shocking secret: Lucie, that she plans to raise Jesse from the dead; Cordelia, that she has sworn a dangerous oath of loyalty to a mysterious power; and James, that he is being drawn further each night into the dark web of his grandfather, the arch-demon Belial. And that he himself may be the killer they seek.

The Last Laugh

A Novel Sarah Crichton Books

A New York Times Book Review Editor's Choice From the award-winning author Lynn Freed, who's been called a "literary star" by The New York

Times Book Review, comes a hilarious and brilliant new novel about the riotous, passion-filled adventures of three women who thought they were past their prime. To escape their griping grown children, husbands and lovers, and an abundance of grandchildren underfoot, three self-proclaimed “old bags,” Dania, Ruth, and Bess, head for a quiet island on the Aegean Sea. They’ll spend a year by the water—watching the sunset, eating grilled fish and fresh olives, sipping ouzo. They deserve it, they say. After all those years, the three women will finally have some peace. Except that they can’t. For one, Bess, a pampered, once-beautiful inheritress, falls swiftly

into an affair with a poetry-writing taxi driver—who has, of course, a territorial wife. And Dania, a therapist, begins to receive an increasing number of cryptically menacing phone calls from a psychotic patient. An ex-lover of Ruth’s shows up unexpectedly, right before one of Bess’s does—and then the women’s children arrive, with their own demanding children in tow. As the island quickly becomes crowded, the women’s serene year in Greece devolves perilously, and uproariously, into something much more complicated. With the wit of Maria Semple’s *Today Will Be Different* and all the adventure of Deborah Moggach’s *The Best Exotic Marigold Hotel*, Lynn

Freed's *The Last Laugh* is at once wildly funny and deeply perceptive, an exuberant story of friendship and pleasure, family and love.

Ancient Aztecs *ABDO*

The legacy of past civilizations is still with us today. In *Ancient Aztecs*, readers discover the history and impressive accomplishments of the Aztec civilization, including their military power and feats of engineering. Engaging text provides details on the civilization's history, development, daily life, culture, art, technology, warfare, social organization, and more. Well-chosen maps and images of artifacts bring the past to life. Aligned to Common Core Standards and

correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

The Lost Book of the White *Margaret K. McElderry Books*

From #1 New York Times bestselling authors Cassandra Clare and Wesley Chu comes the second book in the *Eldest Curses* series and a thrilling new adventure for High Warlock Magnus Bane and Alec Lightwood, for whom a death-defying mission into the heart of evil is not just a job, it's also a romantic getaway. *The Lost Book of the White* is a *Shadowhunters* novel. Life is good for Magnus Bane and Alec Lightwood. They're living together in a fabulous loft, their warlock son, Max, has

started learning to walk, and the streets of New York are peaceful and quiet—as peaceful and quiet as they ever are, anyway. Until the night that two old acquaintances break into Magnus's apartment and steal the powerful Book of the White. Now Magnus and Alec will have to drop everything to get it back. They need to follow the thieves to Shanghai, they need to call some backup to accompany them, and they need a babysitter. Also, someone has stabbed Magnus with a strange magical weapon and the wound is glowing, so they have that to worry about too. Fortunately, their backup consists of Clary, Jace, Isabelle, and newly minted Shadowhunter Simon.

In Shanghai, they learn that a much darker threat awaits them. Magnus's magic is growing unstable, and if they can't stop the demons flooding into the city, they might have to follow them all the way back to the source—the realm of the dead. Can they stop the threat to the world? Will they make it back home before their kid completely wears out Alec's mom?

The Last Hours of Humanity *Waterfront Digital Press*

Humanity, as we know it, is on the verge of extinction. There's a common thread to every single mass extinction in our planet's history. It's global warming. From the Permian Mass Extinction 250 million years ago that killed off

95% of all life on Earth to the K/T mass extinction 65 million years ago that killed off the dinosaurs, all were brought about by a sudden warming of the planet. New research shows that once that warming hits a tipping point of 5-6 degrees Celsius, it triggers a cataclysmic melting of sea ice and the release of noxious methane gasses stored deep in the oceans around the world and below the permafrost in the Arctic, which further accelerates the warming of the planet to temperatures unsuitable to life. This book, *The Last Hours of Humanity*, goes where far too few researchers have been willing to go, which is addressing global warming not as an economic or political problem, but

as a geological problem that threatens the survival of every living thing on the planet, including us humans. By bringing together climate scientists, geologists, and cutting edge research too often left out of the global warming debate, the *Last Hours of Humanity* exposes the dangerous future of planet Earth, and what we humans have to do right now to save our species.

How the Mountains Grew

A New Geological History of North America *Simon and Schuster*

The incredible story of the creation of a continent—our continent— from the acclaimed author of *The Last Volcano* and

Mask of the Sun. The immense scale of geologic time is difficult to comprehend. Our lives—and the entirety of human history—are mere nanoseconds on this timescale. Yet we are hugely influenced by the land we live on. From shales and fossil fuels, from lake beds to soil composition, from elevation to fault lines, what could be more relevant than the history of the ground beneath our feet? For most of modern history, geologists could say little more about why mountains grew than the obvious: there were forces acting inside the Earth that caused mountains to rise. But what were those forces? And why did they act in some places of the planet and not at others?

When the theory of plate tectonics was proposed, our concept of how the Earth worked experienced a momentous shift. As the Andes continue to rise, the Atlantic Ocean steadily widens, and Honolulu creeps ever closer to Tokyo, this seemingly imperceptible creep of the Earth is revealed in the landscape all around us. But tectonics cannot—and do not—explain everything about the wonders of the North American landscape. What about the Black Hills? Or the walls of chalk that stand amongst the rolling hills of west Kansas? Or the fact that the states of Washington and Oregon are slowly rotating clockwise, and there a diamond mine in Arizona? It all points

to the geologic secrets hidden inside the 2-billion-year-old-continental masses. A whopping ten times older than the rocky floors of the ocean, continents hold the clues to the long history of our planet. With a sprightly narrative that vividly brings this science to life, John Dvorak's *How the Mountains Grew* will fill readers with a newfound appreciation for the wonders of the land we live on.

24 Hours in Ancient China

A Day in the Life of the People Who Lived There *Michael O'Mara Books*

Spend 24 hours with the ancient Chinese. Travel back to AD 17, during the fourth year of the reign of Wang

Mang of the Han dynasty, a vibrant and innovative era full of conflicts and contradictions. But as different as the Han culture might have been to other great ancient civilizations, the inhabitants of ancient China faced the same problems as people have for time immemorial: earning enough money, coping with workplace dramas and keeping your home in order . although the equivalent in this era was more about bribing inspectors, avoiding bullying from abusive watchmen and trying to keep your house from being looted by Huns. In each chapter we meet one of 24 citizens of this ancient culture, from the midwife to the soldier, the priest to

the performer and the bronze worker to the tomb looter, and see what an average day in ancient China was really like.

The lost symbol

Random House Digital, Inc.

Robert Langdon, while at the U.S. Capital Building, finds an object encoded with five symbols, which is an ancient invitation to usher its recipient into a long-lost world of esoteric wisdom. When Langdon's beloved mentor, Peter Solomon, is kidnapped, he realizes his only hope of saving Peter is to accept this mystical invitation and follow wherever it leads him. Langdon is instantly plunged into a clandestine world of Masonic secrets, hidden history, and

never-before-seen locations - all of which seem to be dragging him toward a single, inconceivable truth.

An Ancient Egyptian Book of Hours

(Pap. Brit. Mus. 10569)

Last Hours of Jesus

From Gethsemane to Golgotha *Sophia Institute Press*

Here for the ordinary reader is an unforgettable moment-by-moment account that brings to vivid life the powerful events that transpired between Jesus' Agony in the Garden of Gethsemane and His death on the Cross at Golgotha. Told accurately and in a manner in-teresting and intelligible, it actually provides a fuller treatment of the Passion than is found in the Gospels. You

see, those Gospels were written for first century readers already familiar with many of the persons, places, parties, and politics that colored events in those long-past days. Not so modern readers, twenty centuries later! Which is why Fr. Ralph Gorman has here crafted for us a single detailed narrative out of the four Gospels, weaving into his narrative relevant Old Testament passages and prophecies, and facts from Jewish and Roman history, laws, beliefs, traditions, and practices, plus helpful first century military, political, geographical, and archaeological information. Faithful to the Gospels while drawing on the best commentaries on them in English, Latin,

French, German, and Italian, these rich pages provide you a refreshing reading of the Gospels supplemented by reliable archaeological, historical, and theological information about the period, places, and persons involved. Plus, you have the benefit of Fr. Gorman's keen depictions of the Gospel places based on his three years' residence there. You can read this book straight through, or one chapter a day as spiritual reading before Mass or during Lent. Either way, you'll come to understand better the malice of the crowds, the dismay and confusion of Christ's friends, and the speed with which the deadly events unfolded. Most of all,

you'll come to grasp anew the depths of Christ's love for you, awakening in you greater devotion to Him than ever before. How about it? Wouldn't it be good for you, by reading and meditating on the contents of this book, to spend with Jesus His last hours? From these moving pages, you'll come to learn scores of new - and sometimes surprising - things, including: The exact moment that Satan entered Judas: can you name it? The most terrible words Jesus spoke during his life on earth: do you know them? (Pray they will never be said about you.) The real meaning of the agony in the garden (Hint: it was more than suffering) How Jesus failed to fulfill popular

hopes about the MessiahThe dangerous political currents in Palestine that fueled the fatal events of holy week: Fr. Ralph Gorman explains them allThat naked man who fled before Jesus and the soldiers after Jesus's arrest. Was it really St. Mark, as some say?Annas, Caiaphas, Herod the Great, Herod Antipas, Pilate, the High Priests, the Sanhedrin, the Sadducees, the Scribes, and the Pharisees: learn which of these many overlapping (and often conflicting) authorities and groups ruled what . . . did what . . . and whyWhy the groups that hated Jesus did not just kill him secretlyThe many — and often shifting — charges made against JesusWhy Jesus refused

to answer many of His accusersThe moment that, under oath, Jesus declared himself to be God: do you know when that was?Pontius Pilate before and after Christ's passion: where he came from and what happened to him afterwards"He burst asunder and all his bowels gushed out": St. Luke's little-known description of the death of JudasThe incestuous marriage that led to the death of John the BaptistPontius Pilate: why he admired — but condemned — JesusWhat Barabbas really did, and why that led the crowd to demand Pilate release him instead of JesusWhy, so quickly, Palm Sunday's "Hosannas" led to Good Friday's "Crucify him!"Who Christ blamed for his plight,

and to what extentThe likely location of the crucifixion, and that spot in particular was chosenThe statue of Venus erected over Golgotha and of Jupiter over the Holy Sepulcher: who did it and how it helped later generations of ChristiansHow Roman methods deliberately increased the shame and pain of crucifixionHow Christ great sufferings on the cross confirmed — rather than falsified — the truth of his divinityWhy, after His death, the Sanhedrin still feared JesusAnd much more to enrich your knowledge, understanding, and love of Jesus!

The Turn of Midnight

MIRA

The compelling, taut and suspenseful

conclusion to The Last Hours As the year 1349 approaches, the Black Death continues its devastating course across England. In Dorseteshire, the quarantined people of Develish question whether they are the only survivors. Guided by their beloved young mistress, Lady Anne, they wait, knowing that when their dwindling stores are finally gone they will have no choice but to leave. But where will they find safety in the desolate wasteland outside? One man has the courage to find out. Thaddeus Thurkell, a freethinking, educated serf, strikes out in search of supplies and news. A compelling leader, he and his companions quickly throw off the shackles of serfdom and set

their minds to ensuring Develish's future—and freedom for its people. But what use is freedom that cannot be gained lawfully? When Lady Anne and Thaddeus conceive an audacious plan to secure her people's independence, neither foresees the life-threatening struggle over power, money and religion that follows...

Walking Your Blues Away

How to Heal the Mind and Create Emotional Well-Being *Inner Traditions / Bear & Co*

Our bodies usually heal rapidly from an illness, injury, or wound. Yet our minds and hearts often suffer for years with debilitating symptoms of distress

or upset. Why is it so hard to heal emotional trauma? Thom Hartmann discovers that a simple and effective bilateral therapy for healing can be just a short walk away.

The Lost Hours *Penguin*

The New York Times bestselling author of the Tradd Street novels delivers a gripping tale of family, fate, and forgiveness. When Piper Mills was twelve, she helped her grandfather bury a box that belonged to her grandmother in the backyard. For twelve years, it remained untouched. Now a near fatal riding accident has shattered Piper's dreams of Olympic glory. After her grandfather's death, she inherits the house

and all its secrets, including a key to a room that doesn't exist—or does it? And after her grandmother is sent away to a nursing home, she remembers the box buried in the backyard. In it are torn pages from a scrapbook, a charm necklace—and a newspaper article from 1939 about the body of an infant found floating in the Savannah River. The necklace's charms tell the story of three friends during the 1930s—each charm added during the three months each friend had the necklace and recorded her life in the scrapbook. Piper always dismissed her grandmother as not having had a story to tell. And now, too late, Piper finds she might have been wrong.

Arc of Justice

A Saga of Race, Civil Rights, and Murder in the Jazz Age

Henry Holt and Company

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle. In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave—had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his

arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle

class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. *Arc of Justice* is the winner of the 2004 National Book Award for Nonfiction.

Jesus, the Final Days

What Really Happened

Westminster John Knox Press

What do history and archaeology have to say about Jesus' death, burial, and resurrection? In this superb general-reader book, two of the world's most celebrated writers on the historical Jesus share their greatest findings. Together, Craig A. Evans and N. T. Wright concisely and compellingly convey

the drama and the world-shattering significance of Jesus' final days on earth. Certain to be a best seller during the Lent/Easter season and beyond!

Tales of Ancient Worlds

Adventures in Archaeology *Neon Squid US*

Original Wisdom

Stories of an Ancient Way of Knowing *Simon and Schuster*

- Explores the lifestyle of indigenous peoples of the world who exist in complete harmony with the natural world and with each other.
- Reveals a model of a society built on trust, patience, and joy rather than anxiety, hurry, and acquisition.

- Shows how we can reconnect with the ancient intuitive awareness of the world's original people. Deep in the mountainous jungle of Malaysia the aboriginal Sng'oi exist on the edge of extinction, though their way of living may ultimately be the kind of existence that will allow us all to survive. The Sng'oi--pre-industrial, pre-agricultural, semi-nomadic--live without cars or cell phones, without clocks or schedules in a lush green place where worry and hurry, competition and suspicion are not known. Yet these indigenous people--as do many other aboriginal groups--possess an acute and uncanny sense of the

energies, emotions, and intentions of their place and the living beings who populate it, and trustingly follow this intuition, using it to make decisions about their actions each day. Psychologist Robert Wolff lived with the Sng'oi, learned their language, shared their food, slept in their huts, and came to love and admire these people who respect silence, trust time to reveal and heal, and live entirely in the present with a sense of joy. Even more, he came to recognize the depth of our alienation from these basic qualities of life. Much more than a document of a disappearing people, *Original Wisdom: Stories of an Ancient Way of Knowing* holds a mirror to our own existence,

allowing us to see how far we have wandered from the ways of the intuitive and trusting Sng'oi, and challenges us, in our fragmented world, to rediscover this humanity within ourselves.

The Poison King

The Life and Legend of Mithradates, Rome's Deadliest Enemy *Princeton University Press*

A new account of one of Rome's most relentless but least understood foes. Claiming Alexander the Great and Darius of Persia as ancestors, Mithradates inherited a wealthy Black Sea kingdom at age fourteen after his mother poisoned his father. He fled into exile and returned in triumph to become a

ruler of superb intelligence and fierce ambition. Hailed as a savior by his followers and feared as a second Hannibal by his enemies, he envisioned a grand Eastern empire to rival Rome. After massacring eighty thousand Roman citizens in 88 BC, he seized Greece and modern-day Turkey. Fighting some of the most spectacular battles in ancient history, he dragged Rome into a long round of wars and threatened to invade Italy itself. His uncanny ability to elude capture and surge back after devastating losses unnerved the Romans, while his mastery of poisons allowed him to foil assassination attempts and eliminate rivals.--From publisher description.

Secrets of the Sprakkar

Iceland's Extraordinary Women and How They Are Changing the World *Simon and Schuster*

The Canadian first lady of Iceland pens a book about why this tiny nation is leading the charge in gender equality, in the vein of *The Moment of Lift*. Iceland is the best place on earth to be a woman—but why? For the past twelve years, the World Economic Forum's Global Gender Gap Report has ranked Iceland number one on its list of countries closing the gap in equality between men and women. What is it about Iceland that enables its society to make such meaningful progress in this

ongoing battle, from electing the world's first female president to passing legislation specifically designed to help even the playing field at work and at home? The answer is found in the country's *sprakkar*, an ancient Icelandic word meaning extraordinary or outstanding women. Eliza Reid—Canadian born and raised, and now first lady of Iceland—examines her adopted homeland's attitude toward women: the deep-seated cultural sense of fairness, the influence of current and historical role models, and, crucially, the areas where Iceland still has room for improvement. Throughout, she interviews dozens of *sprakkar* to tell their inspirational stories,

and expertly weaves in her own experiences as an immigrant from small-town Canada. The result is an illuminating discussion of what it means to move through the world as a woman and how the rules of society play more of a role in who we view as equal than we may understand. What makes many women's experiences there so positive? And what can we learn about fairness to benefit our society? Like influential and progressive first ladies Eleanor Roosevelt, Hillary Rodham Clinton, and Michelle Obama, Reid uses her platform to bring the best of her nation to the world. *Secrets of the Sprakkar* is a powerful and atmospheric portrait of a tiny country that could lead the way

forward for us all.

The Uncertain Hour

A Novel *Bloomsbury Publishing USA*

A.D. 66: Having been falsely implicated in a plot to assassinate the emperor Nero, Titus Petronius has a choice: await the executioner at dawn, or die a noble Roman death by his own hand. Deciding that his will be a suicide like no other the world has ever seen, he summons a small circle of intimate friends to his magnificent villa on the enchanting Tyrrhenian coast of southern Italy. There, over the course of a balmy autumn's night, Petronius throws the party of a lifetime. As they feast on course after course of the most sumptuous and exotic fare the empire

has to offer, his guests are expressly forbidden to dwell on the imminent tragedy; instead, they are enjoined to sing, eat, drink, and celebrate. But as his life dwindles to a few precious hours, Petronius himself cannot shake off the ghosts of his past or his regret over mistakes that can no longer be set right. With the fateful dawn approaching, he recalls the great love affair of his life, and his years as Nero's "Arbiter of Elegance." Not until the very end will he bequeath his magnum opus, *The Satyricon*, to posterity. Exquisitely written and profoundly moving, *The Uncertain Hour* is a vivid portrait of life in ancient Rome and a gripping entrée into the mind of a great man during

his final hours. PRAISE: "Lush and sorrowful...splendid...lusciously described...gorgeous."-The New York Observer "The Uncertain Hour is that very rare thing - a historical novel of love and ideas not only free of pedantry, but also serious and entertaining. Browner has done a fine and meticulous job borrowing from the actual "Satyricon" dishes for Petronius' lovingly described last supper...a rewarding new novel."-Los Angeles Times

Bull's Eye!

The Most Apt Reviews the Last Hours of Ancient Sunlight *Lennex*

In this book, we have hand-picked the most sophisticated,

unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "The Last Hours of Ancient Sunlight: Revised and Updated: The Fate of the World and What We Can Do Before It's Too Late." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

The Collector's World of M&M's

An Unauthorized

Handbook and Price Guide *Schiffer Pub Limited*

Here's a sweet treat for collectors of colorful M&M's characters, starring regular and peanut. This is a serious collector's guide to those smiling candies with a tough exterior and a gooey heart. Author Patsy Clevenger, who describes the smiles of the M&M characters as "absolutely infectious," first provides readers with a concise review of the candy's history, including a timeline of M&M colors featured from 1940 through the 1990s. This comprehensive and enjoyable guide then leads the reader on a tasty tour of M&M collectibles, complete with values for the

hundreds of items shown, which range from kitchen towels to tins, toppers, posters, and jewelry. Additional sections on advertising items and M&M packaging round out the book.

The Book of Five Rings (Annotated)

The Book of Five Rings is a text on kenjutsu and the martial arts in general, written by the Japanese swordsman Miyamoto Musashi around 1643. Written over three centuries ago by a Samurai warrior, the book has been hailed as a limitless source of psychological insight for businessmen-or anyone who relies on strategy and tactics for outwitting the competition.
