Warren Buffett and the Interpretation of Financial Statements

The Search for the Company with a Durable Competitive Advantage *Simon and Schuster*

With an insider's view of the mind of the master, Mary Buffett and David Clark have written a simple guide for reading financial statements from Buffett's successful perspective. They clearly outline Warren Buffett's strategies in a way that will appeal to newcomers and seasoned Buffettologists alike. Inspired by the seminal work of Buffett's mentor, Benjamin Graham, this book presents Buffett's interpretation of financial statements with anecdotes and quotes from the master investor himself. Destined to become a classic in the world of investment books, Warren Buffett and the Interpretation of Financial Statements is the perfect companion volume to The New Buffettology and The Tao of Warren Buffett.

Warren Buffett and the Interpretation of Financial Statements

The Search for the Company with a Durable Competitive Advantage *Simon and Schuster*

With an insider's view of the mind of the master, Mary Buffett and David Clark have written a simple guide for reading financial statements from Warren Buffett's succcessful perspective. Buffett and Clark clearly outline Warren Buffett's strategies in a way that will appeal to newcomers and seasoned Buffettologists alike. Inspired by the seminal work of Buffett's mentor, Benjamin Graham (The Interpretation of Financial Statements, 1937), this book presents Buffett's interpretation of financial statements with anecdotes and quotes from the master investor himself. Potential investors will discover:

- Buffett's time-tested dos and don'ts for interpreting an income statement and balance sheet
- Why high research and development costs can kill a great business
- How much debt Buffett thinks a company can carry before it becomes too dangerous to touch
- The financial ratios and calculations that Buffett uses to identify the company with a durable competitive advantage -- which he believes makes for the winning long-term investment
- How Buffett uses financial statements to value a company
- What kinds of companies Warren stays away from no matter how cheap their selling price

Once readers complete and master Buffett's simple financial calculations and methods for interpreting a company's financial statement, they'll be well on their way to identifying which companies are going to be tomorrow's winners -- and which will be the losers they should avoid at all costs. Destined to become a classic in the world of investment books, Warren Buffett and the Interpretation of Financial Statements is the perfect companion volume to The New Buffettology and The Tao of Warren Buffett.

Warren Buffett and the Interpretation of Financial Statements

The Tao of Warren Buffett

Warren Buffett's Words of Wisdom: Quotations and Interpretations to Help Guide You to Billionaire Wealth and Enlightened Business Management *Simon and Schuster*

A collection of the inspiring words and wisdom from America's favorite businessman that reveal his secrets of success from the bestselling authors of Buffettology and The New Buffettology. Like the sayings of the ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In The Tao of Warren Buffett, Mary Buffett—author of three books on Warren Buffett's investment methods—joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor—large or small—and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nine women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." The Tao of Warren Buffett inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a classic.

The New Buffettology *Simon and Schuster*

Published in 1997, the bestselling BUFFETTOLOGY was tailored to

the conditions of investors in the midst of a long bull market. Now, four years later, that market has seen once hot tech stocks crash and investors scramble to move their assets, or what remains of them, back to the safety of traditional blue chip companies. As peaks turn to troughs, worried investors wonder if there are any constants in today's volatile market. The answer is yes: Warren Buffett's value investing strategies make money. And, as THE NEW BUFFETTOLOGY demonstrates, there is no time to acquire like today's bear market. THE NEW BUFFETTOLOGY is the first guide to Warren Buffett's strategy for exploiting down stocks - a strategy that has made him the world's second richest person. Designed to teach investors how to decipher and use financial information like Buffett himself, this one-of-a-kind guide walks readers step-by-step through the equations and formulas Buffett uses to determine what to invest in and, just as importantly, when. Authors Mary Buffett and David Clark explore Buffett's recent investments in detail, proving time and time again that his strategy has earned enormous profits at a time when no one expects them - and with almost zero risk to his capital.

The Warren Buffett Stock Portfolio

Warren Buffett Stock Picks: Why and When He Is Investing in Them *Simon and Schuster*

Warren Buffett's Stock Portfolio is the first book to take readers deep into Warren Buffett's investment portfolio. Each of Buffett's current stock investments is analyzed in detail with information as to why Buffett found these attractive businesses and how he determined that they are good long-term investments. Each company will be analyzed using the criteria outlined in Buffettology and Warren Buffett and the Interpretation of Financial Statements. The reader can then apply these techniques to a variety of other stocks and see if they meet Buffett's criteria. Although information about Warren Buffett's stock portfolio is available on-line, it is merely listings of the stocks Warren owns. No one else explains the criteria Warren uses to determine how and when to buy and sell. In addition this book will include stocks that are too new to be on-line. The authors will also look at a few top-performing stocks that Warren has sold in the last ten years.

The Interpretation of Financial Statements

The Classic 1937 Edition *Harper Collins*

"All investors, from beginners to old hands, should gain from the use of this guide, as I have." From the Introduction by Michael F. Price, president, Franklin Mutual Advisors, Inc. Benjamin Graham has been called the most important investment thinker of the twentieth century. As a master investor, pioneering stock analyst, and mentor to investment superstars, he has no peer. The volume you hold in your hands is Graham's timeless guide to interpreting and understanding financial statements. It has long been out of print, but now joins Graham's other masterpieces, The Intelligent Investor and Security Analysis, as the three priceless keys to understanding Graham and value investing. The advice he offers in this book is as useful and prescient today as it was sixty years ago. As he writes in the preface, "if you have precise information as to a company's present financial position and its past earnings record, you are better equipped to gauge its future possibilities. And this is the essential function and value of security analysis." Written just three years after his landmark Security Analysis, The Interpretation of Financial Statements gets to the heart of the master's ideas on value investing in astonishingly few pages. Readers will learn to analyze a company's balance sheets and income statements and arrive at a

true understanding of its financial position and earnings record. Graham provides simple tests any reader can apply to determine the financial health and well-being of any company. This volume is an exact text replica of the first edition of *The Interpretation of Financial Statements*, published by Harper & Brothers in 1937. Graham's original language has been restored, and readers can be assured that every idea and technique presented here appears exactly as Graham intended. Highly practical and accessible, it is an essential guide for all business people--and makes the perfect companion volume to Graham's investment masterpiece *The Intelligent Investor*.

Warren Buffett and the Art of Stock Arbitrage

Proven Strategies for Arbitrage and Other Special Investment Situations *Simon and Schuster*

Give a man a fish and he eats for a day. Teach him to arbitrage, and he will eat for a lifetime' Warren Buffett Warren Buffett and the Art of the Stock Arbitrage is the first book to explore the secret world of Buffett's arbitrage and special situations investing. Long considered one of the most powerful and profitable of Buffett's investment operations, but the least understood, these special types of investments have been the edge that has made Warren Buffett the world's greatest investor. This book examines Buffett's special brand of arbitrage investing, which involves taking advantage of short term price discrepancies that often occur when one company offers to buy another company. Buffett and David Clark, the authors of four best-selling books on Warren Buffett's investment methods, take the reader deep into the world of Buffett's arbitrage and special situation operations, giving us his strategies, his equations for determining value, and dozens of examples of his investments in this very lucrative segment of Buffett's investment operations. They offer detailed analysis and explanations of Buffett's arbitrage and special situations operations and techniques for the first time ever.

Buffettology Workbook

Value Investing The Buffett Way *Simon and Schuster*

In the past eighteen months, investors have seen rapid, often intimidating changes in the stock market--tech stocks have soared and crashed and assets that shifted away from traditional blue chip companies have quickly shifted back again. In spite of this volatility however, there has been one constant: Warren Buffett's value investing strategies make money. In *BUFFETOLOGY*, Mary Buffet and David Clark unveiled the analysis techniques that made Warren Buffet the billionaire and investment icon he is today. Now in this companion workbook, the authors explain Buffett's system of business perspective investing, focusing on specific mathematical ratios and calculations. Written in clear, easy-to-understand language, *THE BUFFETTOLOGY WORKBOOK* offers everyone with or without an Internet connection the tools they'll need to apply the same kind of value analysis to readily available financial data that Warren Buffet does.

Warren Buffett Accounting Book

Reading Financial Statements for Value Investing

"Teaches essential accounting terminology and techniques that serious stock investors need to know." -- Preface

Warren Buffett's Management Secrets

Proven Tools for Personal and Business Success *Simon and*

Schuster

The book is divided into several sections covering Warren Buffett's personal business management: . *Managing one's life* - focuses on Buffett's insistence on a good education, picking one's heroes early in life, and staying away from things that damage you personally. The authors also discuss Buffett's belief that challenges make life interesting. . *Managing One's Career* - Buffett believes that you should work at something that you are passionate about. Do what you like and you will find a way to make money. Do what you hate and you will be miserable even if you are rich. . *Managing Employees* - place honesty on the same level as intelligence as a managerial attribute. How to keep managers inspired and working hard. . *Managing the Business* - Buffett has learned that companies that have a durable competitive advantage over their competitors consistently earn more money year after year and are the easiest to manage. . *Managing of Personal Money* - discover the simple rules that Buffett uses for buying other businesses and how he has incorporated them into his own personal investment style.

The Tao of Warren Buffett

Warren Buffett's Words of Wisdom *Simon and Schuster*

Following in the tradition of the *TAO TE CHING*, that ancient Chinese classic text on human nature, and more popular interpretations like the bestselling *THE TAO OF POOH*, wisdom from the iconic cartoon figure, *THE TAO OF WARREN BUFFETT* is a compendium of quotes from one of the world's favourite businessmen. Buffett's investment strategies and life philosophies are revealed in this easy-to-read collection of sayings, some of which have never been heard before. The perfect gift for everyone on your list: from serious investors to over-spenders, Warren Buffett can teach everyone a few secrets of success.

Warren Buffett Book of Investing Wisdom

350 Quotes from the World's Most Successful Investor

Simon and Schuster

Compiled by the son of the cofounder of H&R Block, a collection of business quotes and advice from the most successful investor of the twentieth century, Warren Buffett. Warren Buffett, chairman and CEO of Berkshire Hathaway, is widely considered the most successful investor of the twentieth century. Since the early 1950s, Buffett has proved himself to be an astute investor, and he turned Berkshire Hathaway from a struggling small textile business into the tenth-largest public company in the world, valued at more than \$600 billion. Buffett is well known for his simple but invaluable principles regarding investing and finances, and countless businessmen and people looking to be smarter with their money and their investments have turned to Buffett for his advice. One of those people is Robert Bloch, son of the cofounder of the tax preparation company H&R Block. The *Warren Buffett Book of Investing Wisdom* contains 350 quotes that Bloch has personally found to be indispensable to financial success. With the written blessing of Buffett himself, Bloch has selected the best of Buffett, wisdom that will guide you to becoming the most disciplined and rational long-term investor you can be.

The Warren Buffett Stock Portfolio

Warren Buffett Stock Picks: Why and When He Is Investing in Them *Simon and Schuster*

Bestselling authors Mary Buffett and David Clark examine

seventeen companies that Warren Buffett has bought for himself and for his holding company, Berkshire Hathaway, as durable investments and explain why these companies are once again selling at prices that offer great long-term growth prospects. Warren Buffett has always believed that the time to buy stocks is when nobody else wants them. As we enter the fifth year of what many economists are calling the Great Recession, we find that some of the most amazing businesses—those with a durable competitive advantage—are trading at prices and price-to-earnings ratios that offer investors serious long-term moneymaking opportunities. Pessimism about the banking situation in Europe and unemployment in America have created the perfect storm to bring stock prices down and present value-oriented investors some great possibilities. In Warren Buffett's world, as stock prices decrease, the prospects for investment increase. Putting a number on those prospects tells Warren whether or not the stock is an attractive buy. The Warren Buffett Stock Portfolio explains how to do just that—how to value companies and conservatively estimate the kind of future return that an investment is offering at its current market price. Mary Buffett and David Clark look at stocks in Warren's portfolio as the basis for their analysis. After a brief history of Warren's investment strategy, Buffett and Clark explain how to interpret a company's per-share earnings and per-share book-value histories to quickly identify which companies have a durable competitive advantage and to project the compounding annual rate of return that an investment offers. The authors provide case studies and evaluations of seventeen companies in Warren Buffett's portfolio. The Warren Buffett Stock Portfolio is a valuable companion to the other books in Buffett and Clark's successful series—Buffettology, The Buffettology Workbook, The New Buffettology, The Tao of Warren Buffett, Warren Buffett and the Interpretation of Financial Statements, Warren Buffett's Management Secrets, and Warren Buffett and the Art of Stock Arbitrage.

Warren Buffett And The Interpretation Of Financial Statements

The Search For The Company With A Durable Competitive Advantage

Chinese edition of Warren Buffett and the Interpretation of Financial Statements: The Search for the Company with a Durable Competitive Advantage. A great all around anytime guide for investors. In Traditional Chinese. Distributed by Tsai Fong Books, Inc.

Buffettology

Warren Buffett's Investing Techniques *Simon and Schuster*

At last, here is a book that reveals what the public really wants to know about this legendary investor: how he determines where he puts his money. From a team with privileged insight, Mary Buffett, a savvy CEO and Warren Buffett's former daughter-in-law, and David Clarke, a successful portfolio analyst, comes BUFFETTOLOGY, the most detailed explanation ever of the billionaire's unique investment techniques. Using Warren Buffett's system to access a company's potential economic excellence and the right price to pay for its stock, BUFFETTOLOGY demonstrates the actual mathematical models and equations, revolving around three variables: the yearly per share earnings figure, its predictability, and the market price of security. With BUFFETTOLOGY, individual investors will come to truly understand, and emulate, Warren Buffett's masterful insight, and see that investment is most intelligent when it is most businesslike.

The Buffettology Workbook

Value Investing the Warren Buffett Way *Simon and Schuster*

Timeless Investing Strategies for Any Economy For five decades, Warren Buffett has been making himself one of the wealthiest men in the world, amassing more than 30 billion dollars by investing in the stock market. Remarkably, he did it by spurning popular Wall Street trends, adhering instead to his own unique discipline, one the world has come to know as Buffettology. In The Buffettology Workbook, internationally acclaimed writer and lecturer Mary Buffett has again joined forces with David Clark, the world's leading authority on Warren Buffett's investment methods, to create an in-depth, step-by-step guide to the concepts and equations Warren Buffett uses to create fantastic wealth. Here you will learn: The difference between a great company and a great undervalued company How the short-sightedness of Wall Street pundits can work to your advantage Where to look for investments with long-term, consistent, and extraordinary growth potential To perform the same financial calculations Buffett uses, and apply them to stocks you'd like to buy

Warren Buffett and the Interpretation of Financial Statements

The Interpretation of Financial Statements *HarperCollins Publishers*

Warren Buffett's Three Favorite Books

A Guide to the Intelligent Investor, Security Analysis, and the Wealth of Nations *Lightning Source Incorporated*

This book IS: Completely interactive with over 10 hours of video content. A starting point for amateur and intermediate investors to finally understand the content found in The Intelligent Investor, Security Analysis, and the Wealth of Nations. Easy to understand, yet covers complex topics for stocks, bonds, and preferred shares. Did you know Warren Buffett, the world's wealthiest stock investor, is quoted as saying three books have shaped his investment philosophy? For more than half a century, he used the information provided in these three books to go from nothing - to a massive \$39 billion net worth. The three books that gave him this wisdom are: The Wealth of Nations (pub. 1776) by Adam Smith, Security Analysis (pub. 1934) by Benjamin Graham, and The Intelligent Investor (pub. 1949), also by Benjamin Graham. In fact, Benjamin Graham was Buffett's professor at Columbia and the most influential financial advisor he ever had. So, have you ever tried reading Graham's books? Many might agree the books are as exciting as listening to Ben Stein read the 30th page of The Wall Street Journal. It is time we fixed that. Instead of keeping these billion-dollar secrets hidden behind thousands of pages of financial jargon, I wrote one simple guide - Warren Buffett's Three Favorite Books. If you're looking for a guide that explains how the wealthy really think and buy assets, you're in the right place. This isn't a get-rich-quick book. Instead, this is where your investing techniques take a turn in the road. This book will teach you how to accumulate assets and become very wealthy over decades of wise decisions and proper asset valuation. The best part about the book is the methods are

taught in an easy-to-follow and understandable scenario for all to enjoy!

The Snowball

Warren Buffett and the Business of Life *A&C Black*

Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 The Snowball is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha's" business savvy, life story and philosophy, The Snowball is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. The Snowball provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.

Security Analysis: The Classic 1934 Edition *McGraw Hill Professional*

Explains financial analysis techniques, shows how to interpret financial statements, and discusses the analysis of fixed-income securities and the valuation of stocks

Tao of Charlie Munger

A Compilation of Quotes from Berkshire Hathaway's Vice Chairman on Life, Business, and the Pursuit of Wealth With Commentary by David Clark *Simon and Schuster*

Words of wisdom from Charlie Munger—Warren Buffett's longtime business partner and the visionary Vice Chairman of Berkshire Hathaway—collected and interpreted with an eye towards investing by David Clark, coauthor of the bestselling Buffettology series. Born in Omaha, Nebraska in 1924 Charlie Munger studied mathematics at the University of Michigan, trained as a meteorologist at Cal Tech Pasadena while in the Army, and graduated magna cum laude from Harvard Law School without ever earning an undergraduate degree. Today, Munger is one of America's most successful investors, the Vice Chairman of Berkshire Hathaway, and Warren Buffett's business partner for almost forty years. Buffett says "Berkshire has been built to Charlie's blueprint. My role has been that of general contractor." Munger is an intelligent, opinionated business man whose ideas can teach professional and amateur investors how to be successful in finance and life. Like The Tao of Warren Buffett and The Tao of Te Ching, The Tao of Charlie Munger is a compendium of pithy quotes including, "Knowing what you don't know is more useful than being brilliant" and "In my whole life, I have known no wise people who didn't read all the time—none, zero." This collection, culled from interviews, speeches, and questions and answers at the Berkshire Hathaway and Wesco annual meetings, offers insights into Munger's amazing financial success and life philosophies. Described by Business Insider as "sharp in his wit and investing wisdom," Charlie Munger's investment tips,

business philosophy, and rules for living are as unique as his life story; intelligent as he clearly is; and as successful as he has been.

The Devil's Financial Dictionary *PublicAffairs*

Your Survival Guide to the Hades of Wall Street The Devil's Financial Dictionary skewers the plutocrats and bureaucrats who gave us exploding mortgages, freakish risks, and banks too big to fail. And it distills the complexities, absurdities, and pomposities of Wall Street into plain truths and aphorisms anyone can understand. An indispensable survival guide to the hostile wilderness of today's financial markets, The Devil's Financial Dictionary delivers practical insights with a scorpion's sting. It cuts through the fads and fakery of Wall Street and clears a safe path for investors between euphoria and despair. Staying out of financial purgatory has never been this fun.

The Interpretation of Financial Statements

Quiet

The Power of Introverts in a World That Can't Stop Talking *Crown*

#1 NEW YORK TIMES BESTSELLER • Experience the book that started the Quiet Movement and revolutionized how the world sees introverts—and how introverts see themselves—by offering validation, inclusion, and inspiration "Superbly researched, deeply insightful, and a fascinating read, Quiet is an indispensable resource for anyone who wants to understand the gifts of the introverted half of the population."—Gretchen Rubin, author of The Happiness Project NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People • O: The Oprah Magazine • Christian Science Monitor • Inc. • Library Journal • Kirkus Reviews At least one-third of the people we know are introverts. They are the ones who prefer listening to speaking; who innovate and create but dislike self-promotion; who favor working on their own over working in teams. It is to introverts—Rosa Parks, Chopin, Dr. Seuss, Steve Wozniak—that we owe many of the great contributions to society. In Quiet, Susan Cain argues that we dramatically undervalue introverts and shows how much we lose in doing so. She charts the rise of the Extrovert Ideal throughout the twentieth century and explores how deeply it has come to permeate our culture. She also introduces us to successful introverts—from a witty, high-octane public speaker who recharges in solitude after his talks, to a record-breaking salesman who quietly taps into the power of questions. Passionately argued, impeccably researched, and filled with indelible stories of real people, Quiet has the power to permanently change how we see introverts and, equally important, how they see themselves. Now with Extra Libris material, including a reader's guide and bonus content

The Analysis of Financial Statements

Warren Buffett: Top 10 Life Rules from Warren Buffett for Unlimited Success and Prosperity

(Warren Buffett and the Business Of Life, the Life and Business Lessons of Warren Buffett) *CreateSpace*

Warren Buffett: Top 10 Life Rules From Warren Buffett For Unlimited Success And Prosperity Many books have claimed it many times before, but this book is about success. Not just the success that Warren Buffet has attained, but the same success that me and you can attain if we would just follow these 10 basic life rules that Mr. Buffet has tested out for himself over decades of successful business investment. Straight from the mouth of the financial guru himself these were the ten rules that he lived by the entire time of his meteoric rise to success. As well as highlighting these basic principles that Buffet has come to live by, this book is also serves as a biography of sorts following the life of this business and investing tycoon, gathering the testimony of the wealth as well as success that this man has single handedly accumulated through the years. Giving you a ring-side seat as Buffet Demonstrates his own ideas, principles and theories in action. This book takes you right through the meager beginnings as a Newspaper Boy and Pin Ball entrepreneur multiplying his money through neighbors and barbershops to his massive future investments in American Express, GEICO, and even his philanthropic efforts for the Bill and Melinda Gates foundation. This book runs the gamut of Warren Buffet's rise and continued persistence in as multiplying his money. This book outlines a man's life that epitomized the American dream of molding and shaping a destiny with your own bare hands. Warren took his big ideas and wrapped them around the most meager of beginnings to create an empire. It is a story that should be inspirational to us all, because Warren Buffet's story of success is our own story as well. Buffettology *Simon and Schuster*

In the world of investing, the name Warren Buffett is synonymous with success and prosperity—now you can learn how Warren Buffett did it and how you can, too. Building from the ground up, Buffett chose wisely and picked his stocks with care, in turn amassing the huge fortune for which he is now famous. Mary Buffett, former daughter-in-law of this legendary financial genius and a successful businesswoman in her own right, has teamed up with noted Buffettologist David Clark to create Buffettology, a one-of-a-kind investment guide that explains the winning strategies of the master. -Learn how to approach investing the way Buffett does, based on the authors' firsthand knowledge of the secrets that have made Buffett the world's second wealthiest man -Use Buffett's proven method of investing in stocks that will continue to grow over time -Master the straightforward mathematical equipments that assist Buffett in making investments -Examine the kinds of companies that capture Buffett's interest, and learn how you can use this information to make your own investment choices of the future Complete with profiles of fifty-four "Buffett companies"—companies in which Buffett has invested and which the authors believe he continues to follow—Buffettology can show any investor, from beginner to savvy pro, how to create a profitable portfolio.

The Essays of Warren Buffett

Lessons for Corporate America (Third Edition) *Carolina Academic Press*

In the third edition of this international best seller, Lawrence Cunningham brings you the latest wisdom from Warren Buffett's annual letters to Berkshire Hathaway shareholders. New material addresses: the financial crisis and its continuing implications for investors, managers and society; the housing bubble at the bottom of that crisis; the debt and derivatives excesses that fueled the crisis and how to deal with them; controlling risk and protecting reputation in corporate governance; Berkshire's acquisition and operation of Burlington Northern Santa Fe; the

role of oversight in heavily regulated industries; investment possibilities today; and weaknesses of popular option valuation models. Some other material has been rearranged to deepen the themes and lessons that the collection has always produced: Buffett's "owner-related business principles" are in the prologue as a separate subject and valuation and accounting topics are spread over four instead of two sections and reordered to sharpen their payoff. The Essays of Warren Buffett

Lessons for Investors and Managers *Wiley*

As in previous editions of The Essays of Warren Buffett, this one retains the architecture and philosophy of the original edition but adds selections from Warren Buffett's most recent annual shareholder letters. All the letters are woven together into a fabric that reads as a complete and coherent narrative of a sound business and investment philosophy. As an aid to all readers, and to enable readers of the previous editions to see what is new in this one, a disposition table at the end of the book shows the various places in this collection where selections from each year's letter appear. Footnotes throughout indicate the year of the annual report from which essays are taken. To avoid interrupting the narrative flow, omissions of text within excerpts are not indicated by ellipses or other punctuation. This new edition is called for not because anything has changed about the fundamentals of Buffett's sound business and investment philosophy but because articulation of that philosophy is always delivered in the context of contemporary events and business conditions so periodic updating is warranted to maintain its currency.

Trade Like Warren Buffett *John Wiley & Sons*

"Trading is notoriously tough. But Altucher's new book adds a noteworthy addition to the library on Warren Buffett. He shows a lot of Buffett that isn't readily available in the existing common literature. Definitely required reading for any serious Buffett buff." -Kenneth L. Fisher, Forbes' "Portfolio Strategy" Columnist Founder and CEO, Fisher Investments "Finally, someone blows apart the myth that Warren Buffett is a buy-and-hold investor. Altucher has given us an insightful and well-written commentary on how Buffett has amassed his track record, and

what we can do to emulate him. He details the trade-by-trade examples. This is a must read for anyone wanting to learn about how the Master Investor works." -John Mauldin, author, Bull's Eye Investing editor of Thoughts from the Frontline (www.2000wave.com) While Warren Buffett is considered the "world's greatest value investor," there's another side to Buffett that is rarely talked about. Although Buffett has gained recognition for his value investing approach to the markets, the fact is that nobody over the past fifty years has traded and invested with a more diverse group of strategies than Buffett. Trade Like Warren Buffett challenges the current coverage of this great investor by including details of all of Buffett's investing and trading methods, including mean reversion, commodities, bonds, arbitrage, market timing, funds, as well as Graham-Dodd. To augment the discussion of each strategy, Trade Like Warren Buffett also includes interviews with leading financial professionals, who reveal in detail how they've successfully used the same techniques. There is no one way to sum up Warren Buffett's investment style. But if you're interested in boosting the performance of your portfolio, Trade Like Warren Buffett can show you how.

Life Is What You Make It *Crown*

From composer, musician, philanthropist--and son of Warren Buffett--comes a warm, wise, and inspirational book that expounds on the strong set of values given to him by his trusting and broadminded mother, his industrious and talented father, and the many life teachers he has met along the way.

The Business of Value Investing

Six Essential Elements to Buying Companies Like Warren Buffett *Wiley*

A blueprint to successful value investing Successful value investors have an ingrained mental framework through which all investments decisions are made. This framework, which stems from the father of value investing, Benjamin Graham-who believed that investment is most intelligent when it is most businesslike-can put you in a better position to improve the overall performance of your portfolio. Written by Sham Gad-founder of the Gad Partners Funds, a value-focused investment partnership inspired by the 1950s Buffett Partnerships-The Business of Value Investing effectively examines the fundamental tenants of this approach and skillfully illustrates the six essential elements of the entire process. Opening with some informative discussions of how value investing focuses more on buying a piece of a business, and less on buying a company's stock, this reliable resource quickly moves on to detail exactly what it takes to become a successful value investor. Outlines the six essential elements required for a successful risk averse value investment approach Contains case studies that illustrate how to approach investing in an intelligent, businesslike fashion Walks you through the pitfalls that most investors initially fall into With The Business of Value Investing as your guide, you'll quickly become familiar with one of the most effective investment strategies ever created.
