Which Brings Me to You

A Novel in Confessions *Algonquin Books*

A two-sided look at modern love-- and lust-- by two bestselling writers at the top of their form. Two rambunctious, romantic flameouts. One boring wedding. One heated embrace in a quiet coatroom. This is not exactly the recipe for true love. John and Jane's lusty encounter at a friend's wedding isn't really the beginning of anything with any weight to it; even they know that. When

they manage to pull back, it occurs to them that they might start this whole thing over properly. They might try getting to know one another first, through letters. What follows is a series of traded confessions-- of their messy histories, their past errors, their big loves, their flaws, and their passions. Each love affair, confessed as honestly as possible, reveals the ways in which Jane and John have grown and changed-- or not changed-- over the years; the people they've hurt, the ones still bruised. The ones who bruised them. Where all of this soul-baring will take them is the burning question behind every letter-- a question that can only be answered when they meet again, finally, in the flesh.

(Not That You Asked)

Rants, Exploits, and Obsessions

Random House Trade Paperbacks

In *(Not that You Asked)*, Steve Almond documents a life spent brawling with the idiot kings of modern culture. He squares off against Sean Hannity on national TV, takes on Oprah Winfrey, nearly gets kidnapped by a reality TV crew, and winds up in Boston, where he quickly enrages the entire population of Red Sox Nation. Amid the carnage, he finds time to celebrate his literary hero, the late Kurt Vonnegut. These are essays the Los Angeles Times has called "rich, fearless [and] cutting." Praise for *(Not that You Asked)* "Refreshingly irreverent . . . absurdly funny." -The Boston Globe "[Almond] scores big in every chapter of

this must-have collection. Biting humor, honesty, smarts and heart: Vonnegut himself would have been proud.” -Kirkus Reviews (starred review) “Taunting, revealing, irreverent, and earnest.” -The New York Times “Steve Almond has created a distinctive voice and literary persona. Pleasure-obsessed, self-deprecating, horny, hilarious and always dedicated to parsing the messy terrain of the human heart.” -Forward.com

Rock and Roll Will Save Your Life

A Book by and for the Fanatics Among Us *Random House*

Drooling fanatic, n. 1. One who drools in the presence of beloved rock stars. 2. Any of a genus of rock-and-roll wannabes/geeks who walk around with

songs constantly ringing in their ears, own more than 3,000 albums, and fall in love with at least one record per week. With a life that’s spanned the phonographic era and the digital age, Steve Almond lives to Rawk. Like you, he’s secretly longed to live the life of a rock star, complete with insane talent, famous friends, and hotel rooms to be trashed. Also like you, he’s content (sort of) to live the life of a rabid fan, one who has converted his unrequited desires into a (sort of) noble obsession. *Rock and Roll Will Save Your Life* traces Almond’s passion from his earliest (and most wretched) rock criticism to his eventual discovery of a music-crazed soul mate and their subsequent production of two little superfans. Along the way, Almond reflects on the

delusional power of songs, the awkward mating habits of drooling fanatics, and why Depression Songs actually make us feel so much better. The book also includes: • sometimes drunken interviews with America's finest songwriters • a recap of the author's terrifying visit to Graceland while stoned • a vigorous and credibility-shattering endorsement of Styx's Paradise Theater • recommendations you will often choose to ignore • a reluctant exegesis of the Toto song "Africa" • obnoxious lists sure to piss off rock critics But wait, there's more. Readers will also be able to listen to a special free mix designed by the author, available online at www.stevenalmond.com, for the express purpose of eliciting your drool. For those about to rock—we salute you!

Papa Brings Me the World *Henry Holt and Company (BYR)*

Jenny Sue Kostecki-Shaw's *Papa Brings Me the World* is a poignant picture book that celebrates the bond between parent and child, and follows their long-distance trip around the world. Most parents drive a car or ride a bus or train to work—but not Lulu's papa. He navigates mountains, deserts, and oceans, each time returning home with pockets full of

treasures. There's an ancient calculator from China, a musical mbira from Zimbabwe, and a special game from Sumatra. But the best treasures are special stories Papa tells when he comes home—tales of playing peekaboo with rare birds in the Andes and befriending dragons in the Irish Sea. This long-distance love story between parent and child celebrates inclusivity, imagination, and the richness of global cultures. Christy Ottaviano Books
