Chinese Diet Therapy Chinese Edition

A fundamental principle of Chinese food therapy, or TCM in general, is that everything in our universe consists of yin and yang —two opposite and yet complementary forces that create energy and life force. Yang is associated with light, heat, and positive while yin is linked to dark, cold, and negative.

30+ New Knowledge On Family Diet Therapy Chinese Edition

This paper summarizes basic concepts of TCM, the principles of food therapy and its application for hypertension control according to Chinese literature. In TCM, food is conceptualized according to both nutritional and functional aspects, and can be used to treat illnesses. Four principles of TCM food therapy including light eating, balancing the "hot" and "cold" nature of food, the harmony of the five flavors of food, and consistency between dietary intake and different health conditions ...
